

### **"POSITIVE CHANGE"**

**We are happy to announce, because of our new partnership with RUTCO Plastic (Ty Rutledge), we are now able to accept plastic #3 through #7. Ty has agreed to collect the "other plastics" from the City of Calhoun and process them for exporting to other countries. This is exciting news in that we are able to help a local business person strengthen his recycling program, and we are able to improve our services to YOU by offering to take materials that we had no vendor for, only one month ago. ☺**

**We will continue to separate our #1's and #2's for the purpose of selling to MARGLEN, but in addition, you may now bring your Styrofoam, soft plastic (grocery bags, dry cleaning bags, clean trash bags, etc) along with many other items (see list for details) to our recycling center. We will have a designated box for your OTHER PLASTIC, and there are always attendants on hand to help if you have questions.**

**Also, Beth Vaughn (a community volunteer) is working with our City Schools to sponsor a "PLASTICS COMPETITION" between our Primary, Elementary, and Middle Schools. Food Lion along with TREX Flooring is helping to sponsor this project, which will begin Monday, November 14<sup>th</sup>, and end on EARTH DAY, April 22, 2017. More information will be coming this week about how YOU can help with this project.**

**Thank you for your continued support in RECYCLING,  
Judy Peterson

# Recycle your Clean, Dry, Empty Plastic Bags and Film Packaging!

## Plastics to Collect:

- LDPE / HDPE Films
- Newspaper Sleeves
- Bread Bags
- Product Wrap
- Cereal Liners
- Food Storage Bags
- Ice Bags
- Pellet Bags
- Produce Bags
- Dry Cleaning Bags
- Grocery Bags
- Case Overwrap
- Packaging Air Pillows
- Salt Bags

Look for bins and signage near store entrances and drop off collected plastics and wraps.

Your plastic bags and wraps then become Earth-friendly composite decking & railing!

Go to [trexrecycling.com](http://trexrecycling.com) to see participating retailers.
