May 2024 Council Letter

Mr. Denmon,

In the month of May we housed 23 dogs and 18 cats. We have responded to 54 incidents. We have given 16 warnings to pet owners mostly for leash law violations. In the month of May we have removed 57 dead animals from the city streets and we try to make our rounds daily to keep the streets free of animals (alive or dead).

This month we have gotten 10 animals adopted and we got 7 animals rescued. Also, 8 animals went back home to their owners.

Thank you.
