October 2023 Council Letter

Mr. Denmon,

In the month of October we housed 24 dogs and 8 cats. We have responded to 57 incidents. We have given 12 warnings to pet owners mostly for leash law violations. In the month of October we have removed 60 dead animals from the city streets and we try to make our rounds daily to keep the streets free of animals (alive or dead).

This month we have gotten 5 animals adopted, we got 8 animals rescued, and 7 animals went back to their owners.

This month we held our 10th annual vaccine clinic/open house event. It was very successful. We partnered with Best Friends Animal Hospital and administered over 300 vaccines to the public for discounted rates. During most of the clinic, cars were backed up to Roland Hayes Parkway.

Thank you.
