November 2023 Council Letter

Mr. Denmon,

In the month of November, we housed 18 dogs and 1 cats. We have responded to 54 incidents. We have given 29 warnings to pet owners mostly for leash law violations. In the month of November, we have removed 31 dead animals from the city streets and we try to make our rounds daily to keep the streets free of animals (alive or dead).

This month we have gotten 5 animals adopted and we got 5 animals rescued.

To my surprise we received this award in the mail during Thanksgiving week from Best Friends Animal Society. Best Friends Animal Society are based all over the US and are dedicated to the no-kill movement. This was a goal we set around 10 years ago for our small shelter. It's a constant struggle to find new innovative ways to reduce our intake and expand our outtake, but thanks to the support from our City leaders we were able to accomplish it.

Thank you.
