- Updated data and mapping for the following:
 - Water system and meter updates
 - Fiber
 - Zoning
- Updated Physical addressing, building and billing information.
- Updated City and GIS web sites.
-

3) **Building Inspections**

Issued 142 permits for an estimated cost of \$3,291,354.79, collected \$32,638.00 in permit fees. This included 17 new residential, 5 residential

remodel, 3 new commercial, 2 commercial remodel, 0 new industrial, 0 industrial remodel, 30 residential plumbing, 37 residential electrical, 19 residential HVAC, 4 commercial plumbing, 6 commercial electrical, 3 commercial HVAC, 0 industrial plumbing, and 0 industrial electrical. 433 total inspections.

4) **Library**

- There are 12,769 library card holders, 6,343 library visitors, and 6,428 total circulation.
- There were 275 story time attendance, 28 adult program attendance, 129 new users, 1,661 e-books, 2,343 audio books, 559 computer logins, and 5,146 Facebook visits.

B. Councilmember Edwards submitted May reports as follows:

1) **Water and Sewer Operations**

Water Treatment Plant

- Total gallons withdrawn: 339,20,000
- Daily average: 10,936,129
- Wells: 103,520,000
- Big Springs: 55,380,000
- % produced by Brittany Drive: 46.9%
 - Brittany Dr. daily production to capacity: 43.43%
 - Mauldin Rd. daily production to capacity: 36.31%
 - Rainfall for May – 9.94”

Waste Water Treatment Plant

- Treated a daily average of 7.912 MGD, with an average BOD effluent of 3, average suspended effluent of 6, and an average COD of 81.

Water Distribution & Wastewater Collection

- 365 work orders completed, 64 new water connections, 18 water service leaks repaired, 24 water main leaks repaired, 1 water services changed to new main lines, 55 meter changes, 32 utility locates called in for work orders, 729 utility locates responses.
- 0 feet of Sanitary Sewer Services TV inspected, 0 utility locates completed, 0 feet sanitary sewer lines cleaned, 0 new sewer connections installed, 0 sanitary sewer connections installed by contractors, 0 sanitary sewer services repaired.

2) **Water and Sewer Construction**

Projects Under Construction

- Brittany Dr & Water Booster Stations Standby Generator Project – This project consists of installing a stationary and portable generator at the Brittany Dr WTP for emergency standby power,

and retrofitting 5 water booster stations to accept the portable generator when it isn't needed at the plant. All components for this project have arrived, and construction is now underway.

- Spring Valley Sewer Rehabilitation Project – This project consists of improving an older segment of our sewer system to reduce I&I and free up additional capacity of this sub-basin. The scope will include upgrading approx. 4,500' of sewer main from a 12 inch to 15 inches, and replacing an additional 1,500' of 12-inch pipe. Material for this project is now arriving, and construction is underway.
- Yancey Lift Station Rehabilitation Project – This project is now completed and consisted of temporarily bypassing the existing lift station for the purpose of completely replacing the existing piping due to its degraded state, epoxy coating the interior of the wet well to improve the durability and longevity, and replacing the aging control panels onsite.

Projects in Design & Development

- New Fire Tower Water Tank Project – Surveying Completed.
- Water Treatment Plant Modifications
- SR 53 & Brown Lee Mtn. Water Relocation – GDOT had bid out this project in January, with construction expected to begin in the upcoming months.
- SR 156 @ Salacoa Bridge Water Relocation GDOT Project
- Conceptual GDOT Project - Hwy 41 N @ CSX Bridge Water & Sewer Relocation
- Peters St. Phase III Water Relocation – Under preliminary review.
- Curtis Pkwy Water & Sewer Relocation – Right-of-way acquisition is currently underway. Material bids have been received, with an award recommendation soon to follow.
- Engineering for Spring Valley Sewer Phase II Rehabilitation Project
- Comprehensive Nutrient Optimization Plan (CNOP), which is a regulatory requirement for NPDES permit compliance
- Asset Management Plan Development – A regulatory requirement to renew our Permit to Operate at our Drinking Water facilities.
- The Engineering Department is actively working on 15 plan reviews, along with 21 inspections of developments and projects that are progressively under construction.

PFAS Update May 2025

For the month of May, the following updates concerning PFAS are as follows:

- The installation of GAC within all of the filters at our Mauldin Rd water treatment plant was completed in March. Samples have been collected for May and results for all individually regulated compounds have come back below the adopted MCLs. Future exchanges for this facility have been scheduled to ensure continued removal, and are anticipated to arrive in July.
- The two additional filter exchanges for fresh GAC at our Brittany Dr WTP was completed in March. After samples were collected in May, the results from this facility have come back below the adopted MCLs. Future exchanges have also been scheduled for August.
- The well sampling program is now underway and all questionnaires have been mailed to potential participants. The responses from our questionnaires will help determine eligibility of the program. The focus of this program is to provide clean water for residents throughout Gordon county who utilize wells as their primary drinking water source. The first sampling event was completed during the last week in April, and the second round of sampling will begin this week.
- The piloting program utilizing advanced technologies for PFAs removal at the Brittany Dr WTP is completed. Pilot summaries for this project are currently under development. Once all of the pilot summaries have been provided, we will begin the selection process for the best long-term solution for both of our water treatment facilities.

C. Councilmember Denmon submitted May reports as follows:

1) **Public Works**

Street Department

- Completed 30 shop and 32 street dept. work orders.
- Installed 6 new street signs.
- Repaired utility cuts and potholes around town using 23 tons of asphalt.
- Repaired a storm drain on River Street.

Cemetery

- Performed routine maintenance on Fain and Chandler cemetery.
- Supervised the opening and closing of 11 grave sites.
- Sold 8 new grave spaces.

Parks Department

- The grounds crew picked up litter, mowed, trimmed bushes, hauled garbage to the dump, and maintained records at records room.
- The maintenance crew maintained designated buildings downtown.
- Repaired handrail at Fain Cemetery.

Animal Control

- Housed 12 dogs and 9 cats
- Number of dogs adopted: 3
- Number of cats adopted: 2
- Number of dogs rescued: 0
- Number of cats rescued: 7
- Number of dogs reclaimed by owner: 1
- Number of cats reclaimed by owner: 0
- Number of dogs euthanized: 0
- Number of cats euthanized: 0
- Number of warnings given: 15
- Number of bite cases: 1
- Citations issued: 2

2) **Recreation Department**

PROGRAMS:

Youth Soccer – The spring soccer season was completed on May 12. A total of 42 games were played during the month.

Youth Baseball and Softball – The spring baseball and softball season was completed on May 20. There were 61 games played during the month. All-Star team selection meetings were held. We will have 1 7-8 Boys, 1 7-8 Girls, 1 9-10 Boys Baseball, and 1- 11-12 Boys baseball teams representing Calhoun Recreation Department in GRPA competition. GRPA 5th District tournaments will be June 5 – June 15, 2025.

Youth Volleyball – Our spring youth volleyball season ended May 19. There were 21 matches played during the month.

Camp South River – Summer Camp – Registration for camp was open throughout the month. June 2- was the first week of camp with 45 campers registered.

Blue Barracudas – The Blue Barracudas began their summer season with practices the week of May 19. The first home swim meet will be June 5.

Outdoor Programs - We have several outdoor family events planned for the Summer. The first event is the Keown Falls Hike – June 7 with 6 registered to participate.

Pickleball League – High School and College players can come out on Tuesday night for fun competition amongst themselves and play to win fun awards. This league will start June 17.

Tennis –

EVTA Men's/Women's league – weekly

Quads – mornings/evenings/beginners

All Flex leagues

Drills & instruction daily

Grounds Maintenance –

The following tasks were completed during the month:

Pool maintenance preparing to open for the season

Mowed all park acreage – daily

Groomed all park entrances; Recreation Center and Tennis Center – weekly

Groomed dog park – weekly

Trimmed trees throughout park

Prepped baseball/softball fields

Prepped soccer fields

Playground inspection

TOURNAMENTS:

Tournaments scheduled for May 3, May 10 and May 31 were all cancelled due to weather.

PGF Tournament – May 17 – There were 21 teams that participated with 567 visitors to the park. The estimated economic impact for this 1 day tournament is \$56,700.

3) **Downtown Development Authority**

Strategic Planning Retreat

Our recent strategic planning retreat was time well spent. All board members were in attendance, and we were pleased to have Paul join us as well. Lillie Read, Director of Cartersville’s DDA, facilitated a productive session focused on goal setting for the next 12 months. The retreat resulted in a clear work plan, which we are now refining. Sierra and I are developing a road map to guide implementation, and we will begin assigning board members specific roles and tasks accordingly. I will share the finalized work plan and further details in my next report.

Downtown Events

Summer in the City – Part I was a tremendous success! Attendance nearly doubled from last year’s inaugural event—from approximately 1,000 attendees to over 2,000 this May. Local businesses including Calhoun Coffee Co., 1987 Hometown Menswear, Trackside, and Heavale participated as street-side vendors. While we continue to encourage more downtown merchant involvement, interest remains limited. Our original vision was to focus on merchant-led vending; however, given the growth in attendance, we may begin incorporating select outside vendors to enhance the event experience.

I've also learned more encouraging outcomes from *BBQ & Boogie*. One downtown retailer who utilized the free vendor booth space reported over \$7,000 in sales on Saturday alone. Additionally, I had a great encounter at Haney's Jewelry the week before Mother's Day: a couple from out of town visited the store specifically because they discovered it during the festival and returned to buy a gift. It's a clear example of how these events are driving lasting visibility and foot traffic to our downtown businesses.

This month, Calhoun City Schools participated in the *Third Grade Downtown Walking Tour*, making stops at City Hall, the Chamber of Commerce, Gordon County Courthouse, GEM Theatre, HAC, the Library, Pocket Park, and Fire Station 1. Each location offered a brief presentation, including a mock trial at the courthouse. Despite the heat, students appeared to enjoy the experience, and we anticipate many families returning downtown for summer activities like the free movies at the GEM Theatre.

Farmers' Market

The Downtown Farmers' Market launched this past Tuesday and exceeded expectations. We had 18 vendors offering a wide variety of goods, including fresh produce, baked goods, eggs, honey, lemonade, coffee, flowers, and more. Community turnout was strong, and more than six vendors sold out before the market closed. A local musician performed during the final hours, adding to the welcoming, family-friendly atmosphere. Sierra, Alicia (our volunteer), and I were heartened to see our vision for the market finally coming to life.

As the growing season progresses, we have additional local farms scheduled to participate on both Tuesdays and Saturdays. A coffee cart will now be featured at each weekday market. Importantly, the temporary lane closure on Piedmont Street proved to be a vital enhancement—offering convenience and safety for our older shoppers during loading.

Looking ahead, we are exploring the addition of a food truck to offer lunch options as attendance continues to increase. We will also be putting out a call for volunteers, including students seeking community service hours, to assist with tasks like setting up cones and helping customers carry produce.

D. Mayor Pro Tem Moyer submitted May reports as follows:

1) **Police Department**

- Made 354 cases with 4 DUI's
- Fines collected by Municipal Court - \$38,325
- Issued 554 warnings
- Investigated 54 highway accidents, 46 private property accidents
- Obstruction - 11

- Lethal Weapon Encounter - 1
- Alarm responses - 168
- Miles patrolled: 54,184

2) **Municipal Court**

- Citations from Police Department-354
- Court cases docketed- 178
- Probation cases assigned- 6
- Probation revocations- 1
- Bench warrants-1
- Failure to appear- 18

3) **Fire Department**

Suppression Division

203	Total Calls for the month to include:
6	Fire Calls
140	Medical Calls
8	Hazardous Conditions calls (No Fire)
3	Service Calls
46	False Alarms or False Calls
0	Severe Weather and Natural Disaster calls

Department Response Times

Total – 5:44
 Turnout – 1:48
 Travel – 3:56

Department Events

- Division Chief Saylor successfully completed the IAAI Expert Courtroom Witness Testimony Course.
- Lieutenant Brandon Goss successfully completed his Associate's Degree in Fire Science Technology
- Lieutenant Jason Underwood successfully completed his State Office of EMS EMT Instructor/Coordinator and Program Director License
- Personnel participated in the Summer Nights Concert Series Event.
- Personnel attended 29 Metro Atlanta Firefighter Conference Courses. The Calhoun Fire Department hosted two separate courses on May 16th, 2025, and May 17th, 2025. These two courses brought over 50 people to our community to attend classes from Georgia, Tennessee, South Carolina, and Florida.
- Participated in the Carry the Load Event

Inspections Division

112 Total Inspections for the month

Training Division

1458.52 Total Training Hours for the Department during the month.

5240.02 Total Annual Training Hours for the year.

Training Highlights:

- GSAR Presentation for Whitfield County CERT
- Division Chief Saylor and Lieutenant Underwood participated in the GEMA Mobile Command Vehicle Exercise as part of GSAR.
- Firefighter Peach successfully passed NREMT Emergency Medical Responder

Upcoming Training

- June 12th, 2025 – Citizens Response to Active Shooter Events
Calhoun Fire Training Center
- June 13th, 2025 – Community CPR Course Calhoun Fire Training Center
- June 16th, 2025 – Community Fire Extinguisher Course Calhoun Fire Training Center

4) Safety Committee

- The safety topic of discussion this month was Workplace Safety. Safety inspections were performed at the library and all Utilities buildings.
 - Vehicle accidents: 0
 - Workers' compensation: 0

7. Zoning Hearings and Comments

Announce at this time, public hearings will be held. The public will have the opportunity to make pro and con comments with a ten minute maximum time limit for each side of the matter, with each person giving their name and address. An inquiry should be made to determine if any elected official has filed a disclosure statement regarding ownership or special interest in any of the agenda items. Zoning Land Use Maps on display in Council Chambers for Zoning Advisory Board and Council hearings.

A. A zoning change request from R-1 to R-2 for 2.907 acres located on Chandler Street, being Parcel C23-032, by Ellen Hunter. The Zoning Advisory Board meeting was held on June 5th.

- Mayor Palmer opened the public hearing.
- City Administrator Worley gave the report on legal requirements and notices, stating that all had been met.

- Councilmember Edwards gave the report on the Zoning Advisory Board, stating that the board voted unanimously to recommend denial of the zoning change request.
 - Mayor Palmer opened the floor for comments.
 - There being none, Mayor Palmer closed the public hearing and called for a motion concerning the zoning change request of R-2.
 - Councilmember Edwards made a motion to accept the recommendation of the Zoning Advisory Board and deny the zoning change request of R-2. Mayor Pro Tem Moyer gave a second with all voting aye. Motion approved.
- B. An annexation and zoning request from County agricultural to A-1 for 11.06 acres, at a location of 710 Henderson Bend Road (042-036), by Jaime Reyes. The Zoning Advisory Board meeting was held on June 5th.
- Mayor Palmer opened the public hearing.
 - City Administrator Worley gave the report on legal requirements and notices stating that all had been met.
 - Councilmember Edwards gave the report on the Zoning Advisory Board, stating that the board voted unanimously to recommend approval of the annexation and zoning request.
 - Mayor Palmer opened the floor for comments.
 - There being none, Mayor Palmer closed the public hearing and called for a motion concerning the annexation request.
 - Councilmember Edwards made a motion to approve the annexation request. Councilmember Denmon gave a second with all voting aye. Motion approved.
 - Mayor Palmer called for a motion concerning the zoning request of A-1.
 - Councilmember Edwards made a motion to approve the zoning request of A-1. Mayor Pro Tem Moyer gave a second with all voting aye. Motion approved.

8. Other Hearings and Comments

- A. Second public hearing on the Calhoun City Schools and City of Calhoun Annual Operating Budget and Capital Plan for the fiscal year July 1, 2025 through June 30, 2026. The budget will be eligible for adoption June 16th.
- Mayor Palmer opened the public hearing.
 - City Administrator Worley gave the report on legal requirements and notices stating that all had been met.
 - Mayor Palmer gave the floor to Dr. Taylor for presentation of the Calhoun City Schools budget.
 - Dr. Taylor presented an overview of the FY26 Budget. She shared that local revenues increased by \$1,309,033 based on projected FY25 tax revenues and an increase in interest. The preliminary QBE allotment increased by \$2,041,977 due to the increase in the employer portion of State Health for certified employees and

the employer cost of TRS. She shared the past 10 years of enrollment history and numbers reflect steady enrollment. Due to anticipated growth and student subgroup needs, several new positions were added for FY26. In the General Fund, 7 teachers, 2 ESS paraprofessionals, 1 school psychologist, 1 registrar, 1 maintenance worker, 1 behavioral support instructional coach, and a Director of Assessment and Accountability were added for a cost of \$1,515,000. She shared that a salary increase of \$5,000 was added to all certified employees on the salary schedule at an approximate cost of \$1,505,000 excluding the increase in benefits. The FY26 budget includes an increase for paraprofessionals, school clerical and central office clerical at 20% with a budget impact of \$536,000. All other classified employees received a 10% increase. The employer cost of State Health for certified employees increased from \$1,760 pmpm to \$1,885 pmpm effective July 1, 2025. The budget impact was an increase of \$395,000. The state funds this increase for all certified employees who are reported on the October CPI Report as being paid with general funds. However, there is always a discrepancy between the number of employees funded and the actual number of employees with health insurance due to the timing of the CPI Report. The employer cost of State Health for classified employees will increase in July 2025 from \$1,580 pmpm to \$1,885 pmpm for a budget impact of \$432,000. The state does not fund any of this cost. TRS is also increasing effective July 1, 2025. The employer cost is increasing from 20.78% to 21.9% pmpm for a total cost of \$296,000. Also, every year the system has employees who will receive advanced degrees during the year, and funds are budgeted for this increase to their salary and benefits. For FY26, the total increase for advanced degrees is approximately \$232,000. The amount budgeted for Operating Transfers includes \$932,883 for Fund 150, \$255,473 for Lottery Pre-K, \$12,500 for the Turf Fund, \$20,000 for the Aquatic Fund, \$117,427 for the School-Based Mental Health Grant (SBMH), and \$151,000 for Capital Projects. To balance the budget, \$6,382,859 will be used from our ending balance. Dr. Taylor highlighted several academic, arts and athletic accomplishments and thanked the Mayor and City Council for their support of school system with the funding of school resources officers which included sharing the costs of the new K9 officers. Mayor Palmer opened the floor for comments.

- There being none, Mayor Palmer gave the floor to City Administrator Worley for presentation of the City of Calhoun budget.
- City Administrator Worley presented the FY26 budget as follows: Thanks to Finance, the department heads, and the mayor and council, a balanced budget is being presented with major budget themes being planning for community growth, a 2% to 4% employee salary increase, a 4.5% water/sewer rate increase, continuation of the current millage rate of 3.5, and capital projects. The city was fortunate to receive a 5.6% reduction in group health insurance rates for this year. Major economic focuses are on tariff worries, due to market volatility, with the Consumer Price Index being low in the 2% range. Recession fears continue, interest rates continue to be high, but have come down with the prime being 7.5 for this year compared to 8.5 last year. Low unemployment rates and strong sales tax

collections continue to bode well for our local economy. Total budget funds for general government are \$21,198,950 and total budgeted expenses \$26,411,279. Proprietary funds are budgeted at \$8,870,499 for Recreation, \$1,281,050 for Golf, \$1,104,214 for solid waste, and \$1,000,000 for hotel motel tax. The recreation fund includes funding for the new recreation center project. Calhoun Utilities has budgeted expenses of \$84,844,080 for water, sewer, electric, and telecommunications departments, and the internal service fund. Even with the 4.5% proposed water/sewer rate increase, Calhoun's rates will be 24% lower than the Coosa-North Georgia Planning Region (18 counties) average rate. City Administrator Worley also reviewed several ongoing and upcoming SPLOST projects. 2018 SPLOST projects include the new recreation center, Peters Street phase 3, various equipment needs, and the Spring Valley sewer replacement. 2024 SPLOST projects include the new recreation center, 2 fire engines on order, planning for fire station #4, city hall renovations, and police fleet equipment. The budget and budget presentation are both available online at www.cityofcalhoun-ga.com.

- Mayor Palmer opened the floor for comments.
- Diane Kirby, 123 Creek Ridge Drive, asked if the name of the new recreation center would remain the same. City Administrator Worley stated that the name would remain the same.
- There were no other comments and Mayor Palmer closed the public hearing and stated that the budget would be eligible for adoption on June 16th. Mayor Palmer thanked City Administrator Worley and all of the departments for their efforts in submitting a balanced budget.

Old Business

9. New Business

- A. Mayor Palmer gave the first reading of a zoning change request from R-1 residential to C-2 commercial for 0.65 acres, at a location of 2680 Hwy 41 SE, being parcel C47-008, by Siwei (Samantha) Hartill. The Zoning Advisory Board meeting will be held July 1st and the public hearing on July 7th.
- B. Mayor Palmer gave the first reading of City of Calhoun proposed 2025 General Government Fee Resolution. A draft copy is posted on the City of Calhoun's website. Eligible for adoption June 16th.
- C. Mayor Palmer gave the first reading of Calhoun Utilities proposed 2025 Utility Rate Resolution. A draft copy is posted on the City of Calhoun's website. Eligible for adoption June 16th.
- D. Mayor Palmer read a request from the Purchasing Department to declare a 2019 Dodge Charger, no longer in use by the Police Department, as surplus property. VIN# 2C3CDXKT9KH647498 Mileage: 82,986. Mayor Pro Tem Moyer made a motion to approve the surplus request. Councilmember Denmon gave a second with all voting aye. Motion approved.

- E. Mayor Palmer read a request from the Purchasing Department to declare a 2019 Dodge Charger, no longer in use by the Police Department, as surplus property. VIN# 2C3CDXKTKH609285 Mileage: 87,753. Mayor Pro Tem Moyer made a motion to approve the surplus request. Councilmember Denmon gave a second with all voting aye. Motion approved.
- F. Mayor Palmer read a request from the Engineering Department to approve Core & Main's bid for materials in the amount of \$458,963.35. Funding will be provided through the FY 2025 Water and Sewer Operating Funds, and the materials will be used for the Curtis Parkway road widening project. Councilmember Edwards made a motion to approve Core & Main's bid for materials. Councilmember Denmon gave a second with all voting aye. Motion approved.

10. Other Written Items Not on the Agenda

11. Work Reports

- A. Paul Worley, City Administrator, had nothing to report.
- B. Kyle Ellis, Utilities Administrator, had nothing to report.
- C. George Govignon, City Attorney, had nothing to report.

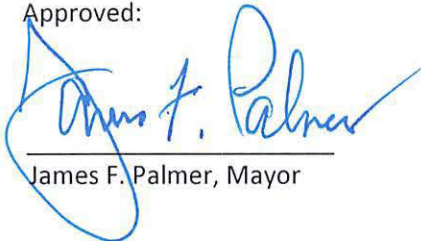

12. Motion to move to Executive Session, if needed

13. Motion to return to General Session

14. Motion to Adjourn

There being no other business to come before the Council, Councilmember Denmon made a motion to adjourn. Mayor Pro Tem Moyer gave a second with all voting aye. The motion was approved and the meeting adjourned at 8:10 p.m.

Approved:

James F. Palmer, Mayor

Submitted:

Sharon Nelson, City Clerk
