

October 20, 1958
Calhoun, Georgia

City Council met in call session at the City Hall with Mayor Edwards, Aldermen Bill Spink, Frank Dickinson and J. T. Woods Jr. ✓ Alderman David was on a hunting trip to the mid west. *being present*

Property owners On Bunea Vista Drive and North Streets requested that the council take into consideration an old petition requesting curb and gutter for their streets. City Engineer stated that he had a quote in price for the curb and gutter from Garren Construction Company as follows: For 24 inch curb and gutter \$1.48 plus the cost of driveways or \$200 Per foot including driveways. Stated that this size was the only size forms he had. City Engineer recommended that 24 inch be used since this was the only forms available. After discussion the council decided that new petition should be circulated since a few of the property owners has secured their property since the old petition was circulated. Council decided they would vote on the petition when 2/3 of the property signed said petition and deposited the money.

Oothcalooga Lodge #154 requested that the City of Calhoun give them a water tap for their new home on the Rome Road. After discussion the council decided that the tap must be paid for since no churches or none profit organizations had been given a tap before this date.

Mr. Woods made a motion that Fire Chief Fred Stephens be appointed Fire Marshall for the Calhoun District in accordance with the State Fire Code Law. This motion was seconded by Mr. Dickinson voted on and passed. To serve until a sucessor is named.

Mr. Woods suggested that the city engineer be instructed to clean up around the swimming pool, paint the filters and look after any other machinery that needed securing for the winter. Stated that this was expensive equipment and didn't want it to go bad since a big bond issue was still owed on the pool and equipment.

There being no other business the meeting was adjourned.
