

The Gordon County Tax Office has presented the assessed values of city property and requested the city's millage by Monday morning, Oct. 13, 1975.

Since the school's budget had increased by 31% and since all city taxes are used entirely to support the school system, the Council had no choice but to increase the millage for 1975.

Ald. Collins made a motion to set the millage at 21 mills, 2nd by Ald. Cox and approved.

The meeting was adjourned.

Approved:

W. C. Burdette,
Mayor
