## Introduction

The City of Calhoun is the county seat of Gordon County, Georgia. Sometime in the late 1840s, Dawsonville was the name of the settlement along the Western and Atlantic Railroad in Gordon County which is today known as the City of Calhoun. Renamed for former U.S. Senator John C. Calhoun in 1850, the City was chosen as the county seat by an election held in Gordon County in 1851. The Georgia General Assembly incorporated Calhoun as a city on January 12, 1852.

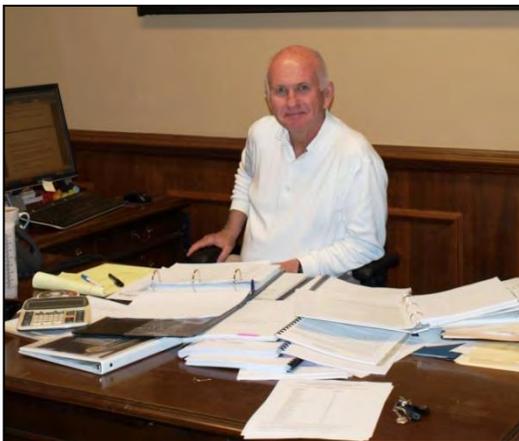

Corner of Court Street and Wall Street

Advantageously located on both sides of Interstate 75, Calhoun has a lot to offer residents and visitors alike. Calhoun sits between Chattanooga, TN and Atlanta, GA on Interstate 75. US Highway 41 runs directly through downtown and intersects with Highway 53 running east and west. This combination of major highways quickly connects Calhoun to several key cities in the southeastern United States. With such easy transportation access, Calhoun has become the home of many diverse companies, from textile mills to heavy equipment machinery manufacturing.

**Councilman George Crowley, Councilman Ray Denmon, Mayor Jimmy Palmer, Councilman Al Edwards, Councilwoman Jackie Palazzolo**

**City Administrator,  
Eddie Peterson**

The City of Calhoun operates under the Council-Administrator form of government. The Council sets policy and relies on the City Administrator to implement those policies. The Council consists of the Mayor and four Council members, all elected at large, with four year, staggered terms to maintain continuity. The Council represents the interests of the City of Calhoun by adopting public policies, determining the City's mission statement, scope of service, and tax levels. The Council also approves ordinances, new projects and programs, and ratifies the budget.

The City Administrator, Eddie Peterson, is appointed by and reports directly to the Mayor and Council. Responsibilities of the City Administrator include the implementation of the City Council adopted policies and directives and the day-to-day operation of the City. Those departments consist of **Finance, Human Resources and Administration, Public Safety**; Police, Municipal Court, Probation and Fire; **Public Works**; Street, Animal Control, Cemetery, Sanitation and Parks; **Recreation**; Participant, Golf Maintenance and Golf Pro; **Community Development**; Airport, Downtown Development and Main Street; and **Community Service**; Auditorium, Depot and other welfare related items.

The Utility Administrator of Calhoun Utilities, Larry Vickery, is appointed by and reports directly to the Mayor and Council. Responsibilities of the Utility Administrator include the implementation of the City Council adopted policies and directives and the day-to-day operation of Calhoun Utilities. Those departments consist of the **Water and Wastewater** fund, **Electric** fund, **Telecommunication** fund and **Utility Internal Service** fund. The Internal Service fund includes utility administration, meter reading, customer services, utility billing, utility tellers, engineering, finance, GIS, work order dispatch and purchasing. The Internal Service fund budget includes fees from Water, Wastewater, Telecommunications, and Electric enterprise funds, as well as service fees from the governmental funds to compensate for finance and GIS services, as well as billing, engineering, and customer services if applicable.

**Utility Administrator,  
Larry Vickery**

**Mayor,  
James F. Palmer**

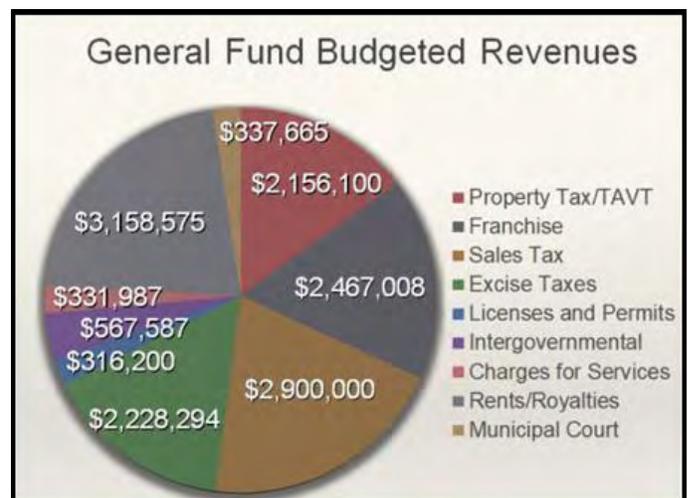

The development of the 2019-2020 budget is based on provisions provided within the City of Calhoun Charter and the Code of Ordinances therein. The budget includes balanced separate funds as required by State Law and Generally Accepted Accounting Principles. The budget is adopted on a modified accrual basis; capital outlay and debt principal payments are budgeted, while depreciation is not. This assists in assuring that cash flow is adequate for the year.

The budget is monitored on an on-going basis by the finance department, the City Administrator and the Utility Administrator. Quarterly reports are presented to the Mayor and Council for review and to make any needed budget amendments. The legal level of budgetary control (the level at which expenditures cannot legally exceed the approved budget) is maintained at the departmental level. The objective of these budgetary controls is to ensure compliance with legal provision and with budget policies adopted by the Mayor and Council.

The City's accounting records are annually adjusted and reported on the full accrual basis of accounting as required by Generally Accepted Governmental Accounting Principles. Accrual statements focus on the total economic resources (current and long-term) available and obligated. Recognizing expense for depreciation of capital assets is part of accrual basis accounting, while capital outlay and debt is recorded against the applicable balance sheet accounts in the City's annually issued Comprehensive Annual Financial Report.

**General Fund Revenues**

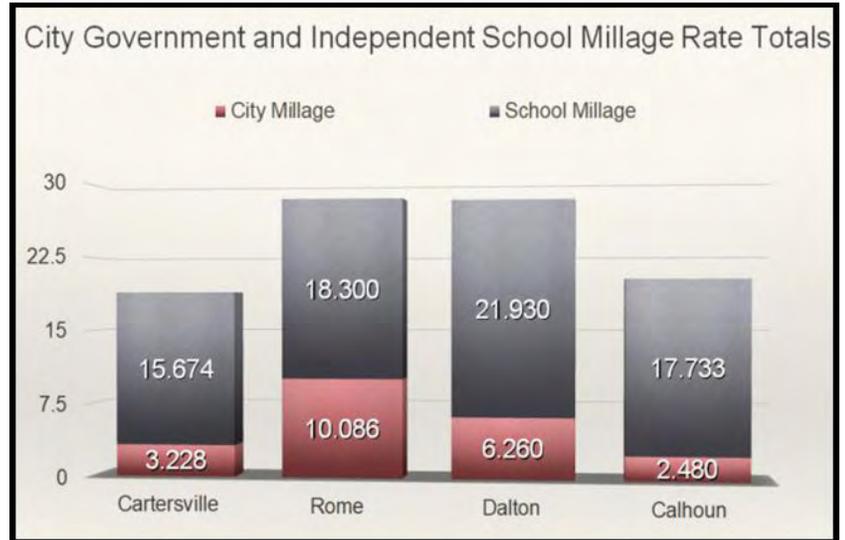

The preceding displays the City's budgeted General fund revenue sources for fiscal 2020 and precedes a short discussion of each category.

Property tax revenues consist of all current and prior year tax collections for levied property taxes, public utility taxes, ad valorem taxes for vehicles and motor homes, real estate transfer and intangible taxes, and penalties and interest on delinquent taxes. The Mayor and Council normally set the millage rate for City and school M&O in late August or early September, with tax notices to be mailed in October and due in December of each year. The City's ad valorem tax collection rate is normally 96% by the end of the fiscal year. However, the City continues collection efforts indefinitely and has a record of over 99% collections on most prior years. See the following chart for a comparison of the millage rate to surrounding cities.

The City collects franchise taxes from private utility companies and Calhoun Utilities at a rate of 3-5% for water, sewer, electric, telecom, gas, and cable services on City right-of-ways. Local option sales taxes are used for ad valorem tax rollbacks.

We have seen the LOST collections increase somewhat in FY 18 and FY 19 as the economy has improved. In the FY 20 budget, an additional 6% was allocated to the City of Calhoun. Rents and Royalties will be collected at 6% in FY 20, rather than 6 ½% in FY 19 and 7% in FY 18.

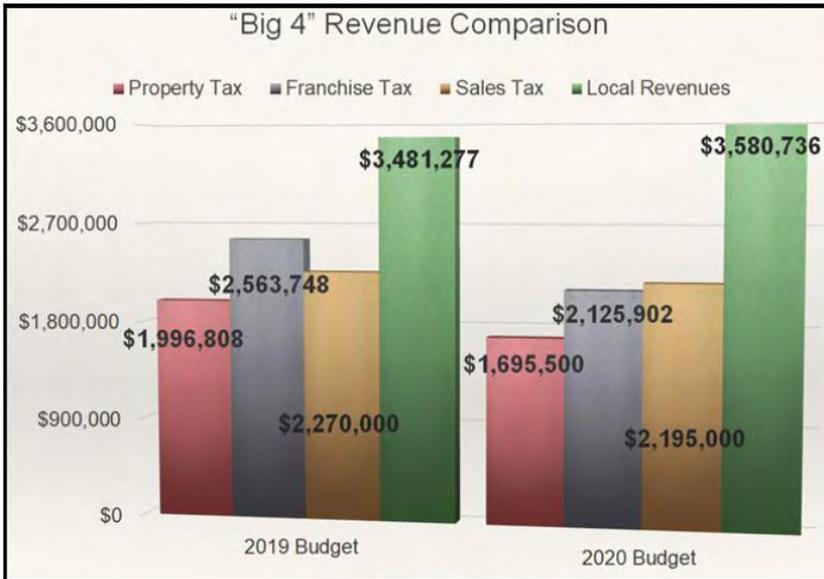

Excise tax collections include beer, wine, and liquor pouring taxes, occupational taxes (business licenses), along with gas marketers, insurance premium, and financial institution taxes. Licenses and permit fees are collected for special licenses and permits such as taxi service, pawn shop, and grocery stores. Permit fees are also collected for building, electric, plumbing, and various other related licenses.

Intergovernmental revenues include grants and reimbursements from local, state, and federal agencies. Fiscal 2020 grants consist of a \$32,000 from GSAR for fire department search and rescue training and education, and approximately \$200,000 for street paving from Georgia DOT.

Revenues include over \$7,000 in funding from the Department of Justice for overtime reimbursement for certified federal officers employed by the City of Calhoun. Other intergovernmental agreements include approximately \$103,000 in reimbursement from the County for airport wages and benefits. The City also plans to receive approximately \$44,000 from the Housing Authority in lieu of taxes and \$71,000 as a reimbursement from Calhoun City School for their portion of two School Resource Officers.

Charges for services consists of municipal court administration fees, service fees from other funds based upon the cost of employee services provided by general fund, cemetery lot sales, and other various service charges. Service fees are paid by all other funds with employee expenses for mayor and council, finance, human resources, and legal costs expensed in general administration. Fines and forfeitures are comprised mainly of the transfer from the municipal court fund of fine revenues in excess of amounts that must be paid out to other outside agencies.

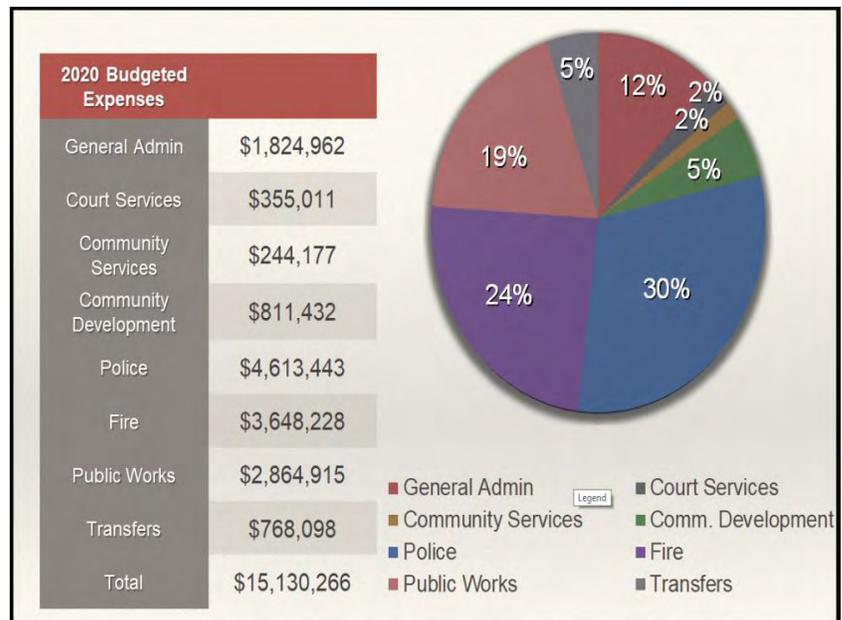

Local revenues include income generated through interest on reserves and other temporarily idle funds and a 6% lease of asset/royalty fee based on gross sales from Calhoun Utilities for water, sewer, and electric.

### Current Year Budget Break-Down

The General fund budget expenditures for fiscal 2020 are depicted by legal level of control. The following chart displays the budgeted expenses for fiscal 2020 for the General fund. The largest portion of budgeted expenditures for the general fund is police and then the fire department. Public works and general administration make up the other large areas of governmental expenditures.

All general government expenditures are heavily weighted towards personnel wages and benefits. The budget reflects interfund charges which are service fees paid to other funds. General fund service fees include expenses for human resources and management along with charges from Calhoun Utilities for the function of finance and GIS systems.

The Utility Internal Service fund also charges solid waste to cover the cost for utility billing, collection, and customer service. Other financing uses consist of transfers to other funds that require additional funding in order to balance, such as transfers to recreation and golf.

The Utility fund expenses are heavily weighted towards supplies and materials. The budget reflects interfund charges which are service fees paid to other funds. Utility fund service fees include expenses for human resources and management along with charges from the Internal Service Fund for administration, finance, meter reading, tellers, engineering, purchasing, customer service, billing, work order dispatch and GIS systems.

### **Personnel Wages and Benefits**

The budget includes a minimal, 1.5% cost of living raise and necessary step increases for new certifications and training. No cost of living increases were included in the three years prior to fiscal 2013 and all end of year salary compensation, which historically has been part of individual salaries, was removed in the current year and the past eight years to control costs during the current economy.

### **Debt Summary**

*Short-Term Debt:* The City does not anticipate needing short-term debt during fiscal 2020.

*Long-Term Debt:* The City has issued general obligation bonds to provide funds for the acquisition and construction of major capital facilities, including the renovation and expansion of educational facilities within the City. General obligation bonds are direct obligations and pledge the full faith and credit of the City. The City has issued revenue bonds where the City pledges income derived from the acquired or constructed assets to pay debt service. Also, the City is obligated for notes payable, capital leases, claims, an unfunded pension plan, and landfill post-closure liabilities. Arbitrage rules apply to the tax-exempt debt issued by the City.

At the end of fiscal 2011, the City issued \$21,000,000, in school general obligation bonds with interest rates ranging from 4.621 to 4.921% that mature September 2022 to 2025. These bonds were used to finance construction of a new middle/high school complex on the current property and will be repaid, in part, from special sales taxes approved and beginning assessment in July 2012. Annual debt service requirements to amortize the school bonds are approximately \$1 million in interest through 2022 plus principal retirement of approximately \$5.25 million until 2025. However, the bonds are Qualified School Construction Bonds and a federal subsidy is being received to pay the majority of the interest. The school bonds principal and interest are paid by the school bonds debt service fund.

During fiscal 2013, the City issued approximately \$12,000,000 in school general obligation bonds to continue financing the construction of the middle/high school complex. These are being repaid from the special sales tax approved and beginning assessment July 2012. Annual debt service requirements to amortize the school bonds are approximately \$480,000 in interest through fiscal 2026 plus principal retirement ranging from \$615,000 to \$2,100,000 each year starting in 2027 and continuing through fiscal 2033.

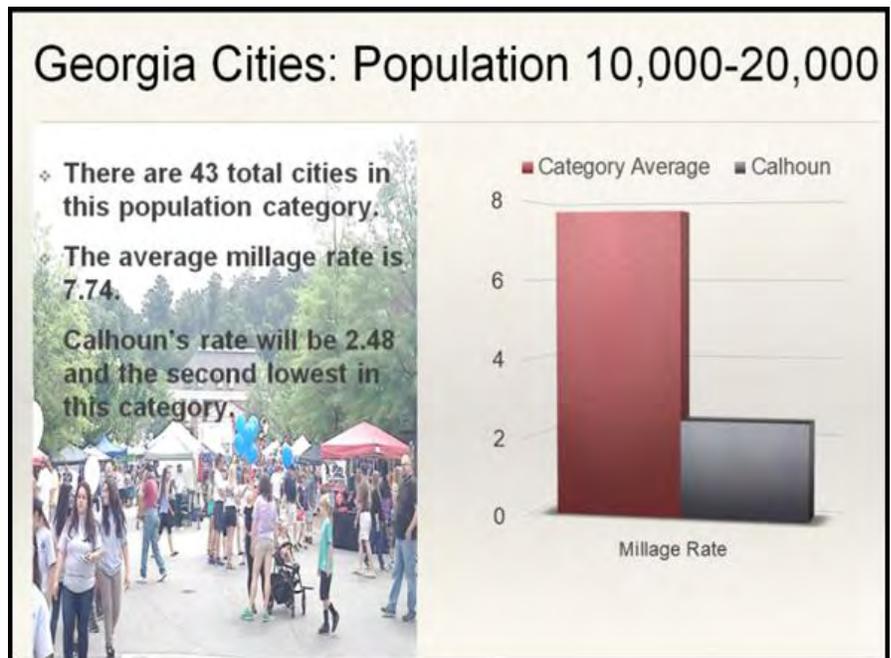

*Landfill Post-closure Care* - The City's industrial landfill was closed under Georgia Environmental Protection Division (EPD) guidelines in 1992. Estimated maturities of the post-closure costs are recorded as long-term debt in the solid waste enterprise fund at an estimated annual cost of \$30,000. Amounts on landfill closure costs are being repaid from the solid waste fund.

## Future Outlook

The entire nation has experienced unprecedented economic times in the last several years and the City of Calhoun has been no exception. With an economy that depends heavily on manufacturing and industry, the economic downturn has taken a toll on the local economy. Growth has been seen in the last year and we are looking forward to the coming year.

The City and County updated their ten-year Comprehensive Plan in 2018, which provides for a 2018-2028 plan, and an additional 6% of local option sales tax was allocated to the City. The City of Calhoun has amended the Hotel/Motel Occupancy Tax from 5% to 8% for the purpose of enhancing and promoting travel and tourism.

The City will continue to direct a portion of the tax to the Industrial Development Authority for economic development and the Chamber of Commerce for tourism. The Recreation Authority, Downtown Development Authority and the City will also receive a portion of the tax. Certain requirements will have to be met before restricted funds can be expended by the Recreation Authority or the City.

Following are some helpful stats for the City of Calhoun from July 2010 unless otherwise noted (source: [www.city-data.com](http://www.city-data.com)).

### Population

2015	16,052 (+50.5% change since 2000)	Males	7,535 or 46.9%
2000	10,000 (from 2000 Census data)	Females	8,517 or 53.1%

White Non-Hispanic	57.0%	Estimated Median Household Income	
Hispanic	32.5%	Calhoun	2016 \$36,897
Black	7.8%		2000 \$33,618
Other	2.7%	Georgia	2015 \$53,559

Estimated Per Capita Income		Median House or Condo Value in 2016	
2016	\$19,631	Calhoun	\$145,786 (Compared to 2000 - \$93,400)
2000	\$19,887	Georgia	\$166,800

Median Resident Age	33.3
Georgia Median Age	36.5

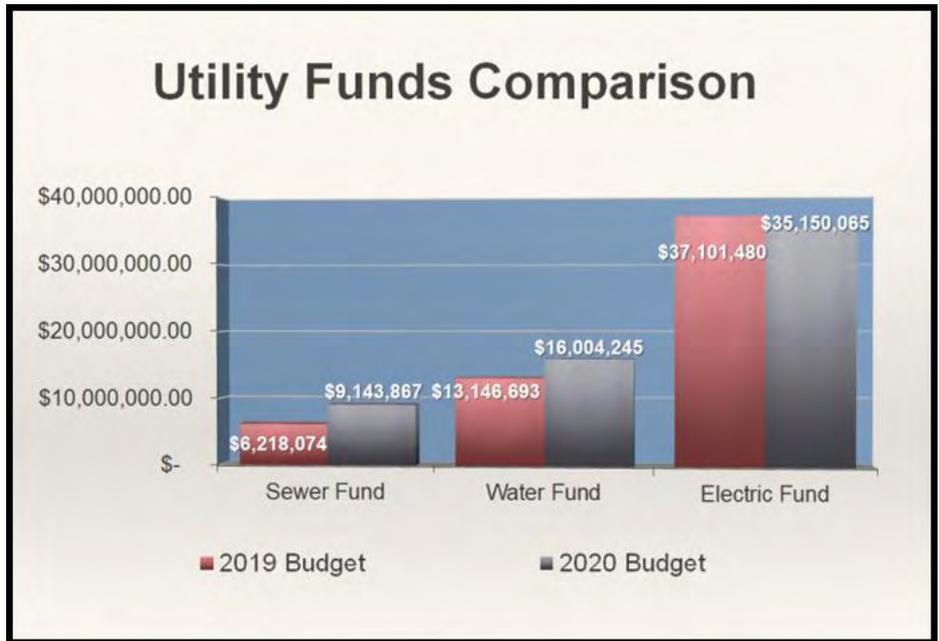

March 2016 cost of living index in Calhoun: 82.0 (US Average is 100)

**Calhoun Utilities**

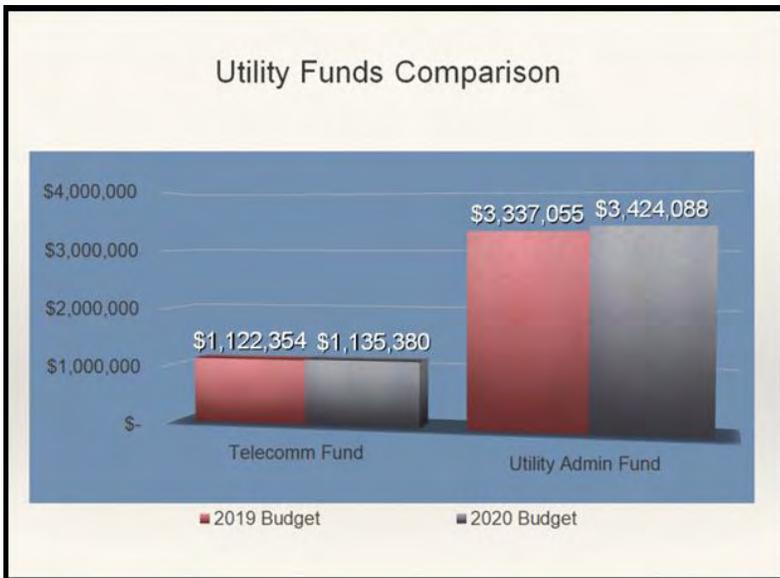

**Revenues**

An annual 3% water and sewer rate increase will be implemented in fiscal year 2020 for a period of five years, for operational, debt repayment and/or capital projects.

**Water Treatment Plant:** The expense budget for the Water department includes a line item, "Royalty-Lease of Assets" which includes a lease fee to the general fund for the use of the water system by Calhoun Utilities; this was reduced from 7% to 6 ½% in fiscal 2019, and reduced down to 6% in FY 20.

**Water Distribution:** The Water Distribution department has budgeted \$160,000 for the continuation of the 2" Galvanized Line Replacement project. They are also budgeting \$366,000 for a GDOT bridge project on SR-156 in Ranger. \$524,000 is budgeted for the 12" Ranger transmission which is to be funded from the 14% restricted funds. The Peter Street relocation of \$564,000 will be funded by SPLOST.

**Waste Treatment Plant:** The expense budget includes a line item, "Royalty-Lease of Assets" which includes a lease fee to the general fund for the use of the wastewater system by Calhoun Utilities, was reduced from 7% to 6 ½% in fiscal 2019, and further reduced to 6% in fiscal 2020.

**Electric Fund:** The expense budget includes a line item, "Royalty-Lease of Assets" which includes a lease fee to the general fund for the use of the electric system by Calhoun Utilities. This has been reduced from 7% to 6 ½% for fiscal 2019, and further reduced to 6% in fiscal 2020. The electric budget also includes continued system upgrades and funding for system expansions associated with growth, including converting overhead to underground in Garden Hills and on Nelson Street.

**Telecommunication Fund:** The Telecommunications budget remains fairly constant as compared to the prior year.

## **Fiscal Impact**

Actions by the Mayor and Council of the City of Calhoun regarding the operating budget and capital improvement plan have a major impact on public services and capital projects that are an integral part of the economic development and quality of life in Calhoun. The challenge is balancing the service needs of citizens against limited financial resources. This budget document represents the culmination of that effort to produce balanced budgets for the governmental funds as required by state law. Departments have scrutinized expenditures in order to balance expenditures with projected revenues. The City will be prepared to reduce expenditures should revenues not meet the projected levels.

Calhoun Utilities' capital expense program funds for 2019-2020 are \$6,518,810. The five-year capital plan totals \$26,373,750. It addresses improvements required due to fixed assets items that we have not been able to purchase for anticipated growth and federal/state mandates.

## **Budget Notes**

City management has included the utility transfer policy in its budget and accounting policy, and it has been reviewed and approved by the Mayor and City Council.

## **Capital Improvement Programs**

The City is addressing several areas directly related to growth and mandates from Federal and State agencies, the major one being:

- The City continues to address water quality, conservation and infrastructure issues by replacing the aged two inch galvanized water mains and by replacing old sanitary sewer mains within the water and sewer system.

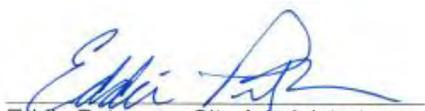

## **Future Outlook**

The City has purchased the rights to new nuclear generation as a member of the Municipal Electric Authority of Georgia. This is a 3–4 year construction period before the generation will come on line. The purchase of the natural gas generator has enabled the City to provide more stable electric rates and allow the City to retain a fair share of the market.

## **Acknowledgments**

Because of the special challenges of restricted revenues and the demand for quality services, the City began its budget preparation early and attempted to remain as conservative as possible in projecting revenues for the coming fiscal year. City management acknowledges the work by the finance department and department heads in a team effort to produce an updated, attractive product that provides the information necessary to analyze the City's operations. City management also acknowledges and appreciates the time and effort spent by the Mayor and Council, the City School Board and staff, and the Golf Advisory Commission in developing the projected budget to the current level designed to meet the needs of citizens, business and industry.

Respectfully Submitted,

  
Eddie Peterson, City Administrator

  
Larry Vickery, Utilities Administrator

# 2019 City of Calhoun Organizational Chart

## City of Calhoun, Georgia Financial Policies

Management of the City is responsible for establishing and maintaining an internal control structure, designed to ensure that assets of the City are protected from loss, theft or misuse, and to ensure that adequate time is allowed for the preparation of financial statements in conformity with generally accepted accounting principles (GAAP). The internal control structure was designed to provide reasonable, but not absolute assurance that these objectives are met. The concept of reasonable assurance recognizes that the cost of controls should not exceed the benefit likely to be derived and the valuation of cost and benefits requires estimates and judgment by management.

Calhoun Utilities will make transfers to the General Fund from utility funds for lease of assets/royalties and franchise fees. These transfers will be at a rate of 10% of gross billable sales or fees for fiscal year 2020 as authorized by the Mayor and Council during the annual budget process. This includes 4% franchise fees for City right-of-way usage and 6% for lease of assets/royalties.

The following excerpts, relating to fund balance and the budget process, were taken from the City of Calhoun Financial Policies and Procedures adopted May 12, 2014 and subsequent ordinances adopted thereafter, and are presented here for the benefit of users of the budget document.

### **I. FUND BALANCE AND NET ASSETS**

In order to protect against recession and other emergencies, the City's policy is to achieve and maintain cash reserves equal to at least three times the average monthly operating expenditures for the general fund and major enterprise funds. The Mayor and Council may authorize loans from these reserves through the budget process or formal approval in a Council meeting for budgetary shortfalls or capital expenditures. A repayment schedule is established including principal and interest at rates comparable to outside state lender rates at the time of the loan for loans between funds. Money spent from reserves should be replenished as soon as circumstances allow. Reserves should be analyzed each year when the budget is passed and every effort should be made to meet the established goal.

The City applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

### **II. BUDGETARY PROCESS**

The Budget is the process and means by which the Mayor and Council decide upon the level and type of service to be provided based upon the level of available resources.

### **Fiscal Year**

The fiscal year of the City shall commence on July 1 of each year and end on June 30 of the following year.

### **Budgetary Basis**

Annual balanced budgets are adopted on a modified accrual basis of accounting with the exception that principal debt payments and capital outlay are budgeted and depreciation is not. Revenues include those which are due for the current year. Expenditures appropriated by the annual budget include items for which disbursements are made during the fiscal year through the payables process. Open purchase orders lapse at year end, but can be re-appropriated within the budget constraints of the next fiscal year.

### **Legal Level of Budgetary Control**

The level at which expenditures cannot legally exceed the approved budget is at the department level as established by the Mayor and Council. Departments are based on the organizational chart, major functional activities, legal requirements and areas of responsibility.

### **Line Item Budget**

The budget document shall include a line item budget with a summary at department level as department is defined by the Mayor and Council.

### **Budget Goals**

Each department shall establish its budget goals for the current fiscal year and these shall be included in the final budget document.

### **Budget Officer**

The City Administrator shall be the constituted budget officer for both the general government of the City of Calhoun and Calhoun Utilities. The budget officer can make reallocation of budget amounts within expenditures/expenses of a department or a revenue of a department, as department is defined by the Mayor and Council. However, any changes between departments within a fund or any increase in the total departmental appropriation require a budget amendment and City Council approval.

### **Budget Procedure**

- a. The budget officer shall establish a budget calendar, outlining all the due dates for each fiscal year, and forward the budget calendar to the Mayor and Council for their approval prior to enactment.
- b. A budget draft shall be prepared with input from the City Administrator, Human Resource Department, Department Heads and Finance Department.
- c. The proposed draft shall be reviewed /amended in work sessions with the Mayor and Council.
- d. Two budget hearings shall be held prior to adoption, in order to receive public input.
- e. The City Budget shall be adopted annually by resolution of the Mayor and Council.
- f. The Mayor and Council shall approve amendments to the budget regarding increased and decreased revenues or expenses for a fund, by resolution. The budget officer shall approve transfers of appropriations within a department among line items.

### **Budgetary Controls/Reports**

A system of budgetary controls shall be maintained to assure adherence to the budget. Timely quarterly reports shall be prepared comparing actual revenues and expenses with budgeted amounts. Copies of these reports shall be prepared by the Finance Department and shall be distributed to the Mayor, Council and department heads, on a timely basis. Budget amendments requiring Mayor and Council approval shall be presented quarterly for their review and approval. Budget reallocations are recorded in the general ledger by the Finance Department upon approval by the City Administrator. Budget amendments are recorded in the general ledger by the Finance Department after approval of the City Council is obtained.

### **Balanced Budget**

The Budget shall be balanced for every budgeted fund as required by OCGA 36-81-3(b) which necessitates an annual balanced budget for the general fund, each special revenue fund, and each debt service fund. It also requires a project-length balanced budget for each capital projects fund. Total anticipated revenues, plus that portion of fund balance in excess of authorized reserves that is designated as a budget funding source when authorized by the Mayor and Council, shall equal total estimated expenditures for each fund. The City also adopts budgets for other funds not required by Official Code of Georgia, such as proprietary funds, to facilitate planning and due care in managing the resources of the City.

### **Financing Current Expenditures**

The City shall avoid budgetary procedures that balance current expenditures through the obligation of future resources. The City shall avoid short-term borrowing to meet operating budget requirements, except as authorized by the Mayor and Council.

### **Capital Expense**

The budget for Capital Expense shall be incorporated with the current year operating budgets for each fund, and shall be funded by current operating revenue to the extent possible. An itemized listing of capital expense, equipment and projects shall be included in the budget document. A five year capital plan shall be included for each department. The threshold for fixed assets is \$5,000 and \$20,000 for infrastructure.

### **Proprietary Funds**

A business approach is used in budgeting for proprietary fund types. Enterprise funds provide services primarily to customers outside the financial reporting entity and shall be self supporting when possible, with minimized losses when break even is not possible.

**CITY OF CALHOUN  
GEORGIA**

**RESOLUTION**

**WHEREAS**, the City Administrator, Utilities Administrator, and City School Board have presented a proposed budget to the Mayor and Council on each of the various funds of the City; and

**WHEREAS**, the Mayor and Council have reviewed and amended the proposed budgets; and

**WHEREAS**, the budgets for each division are balanced and summaries are attached as Exhibits "A", "B", and "C" hereto and made a part of said resolution;

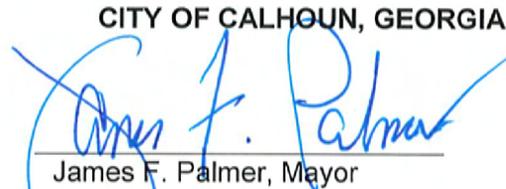

**NOW, THEREFORE, BE IT RESOLVED**, the Mayor and Council of the City of Calhoun hereby adopt said budget for fiscal year July 1, 2019 through June 30, 2020.

**BE IT FURTHER RESOLVED**, the expenditures shall not exceed the appropriations authorized by this budget or amendments thereto according to the budget policy. However, expenditures for the fiscal year shall not exceed actual funding available.

**ADOPTED** this the 17th day of June 2020.

Attest:

  
Eddie Peterson, City Administrator

CITY OF CALHOUN, GEORGIA  
  
James F. Palmer, Mayor

  
Larry Vickery, Utilities Administrator

# GENERAL ADMINISTRATION

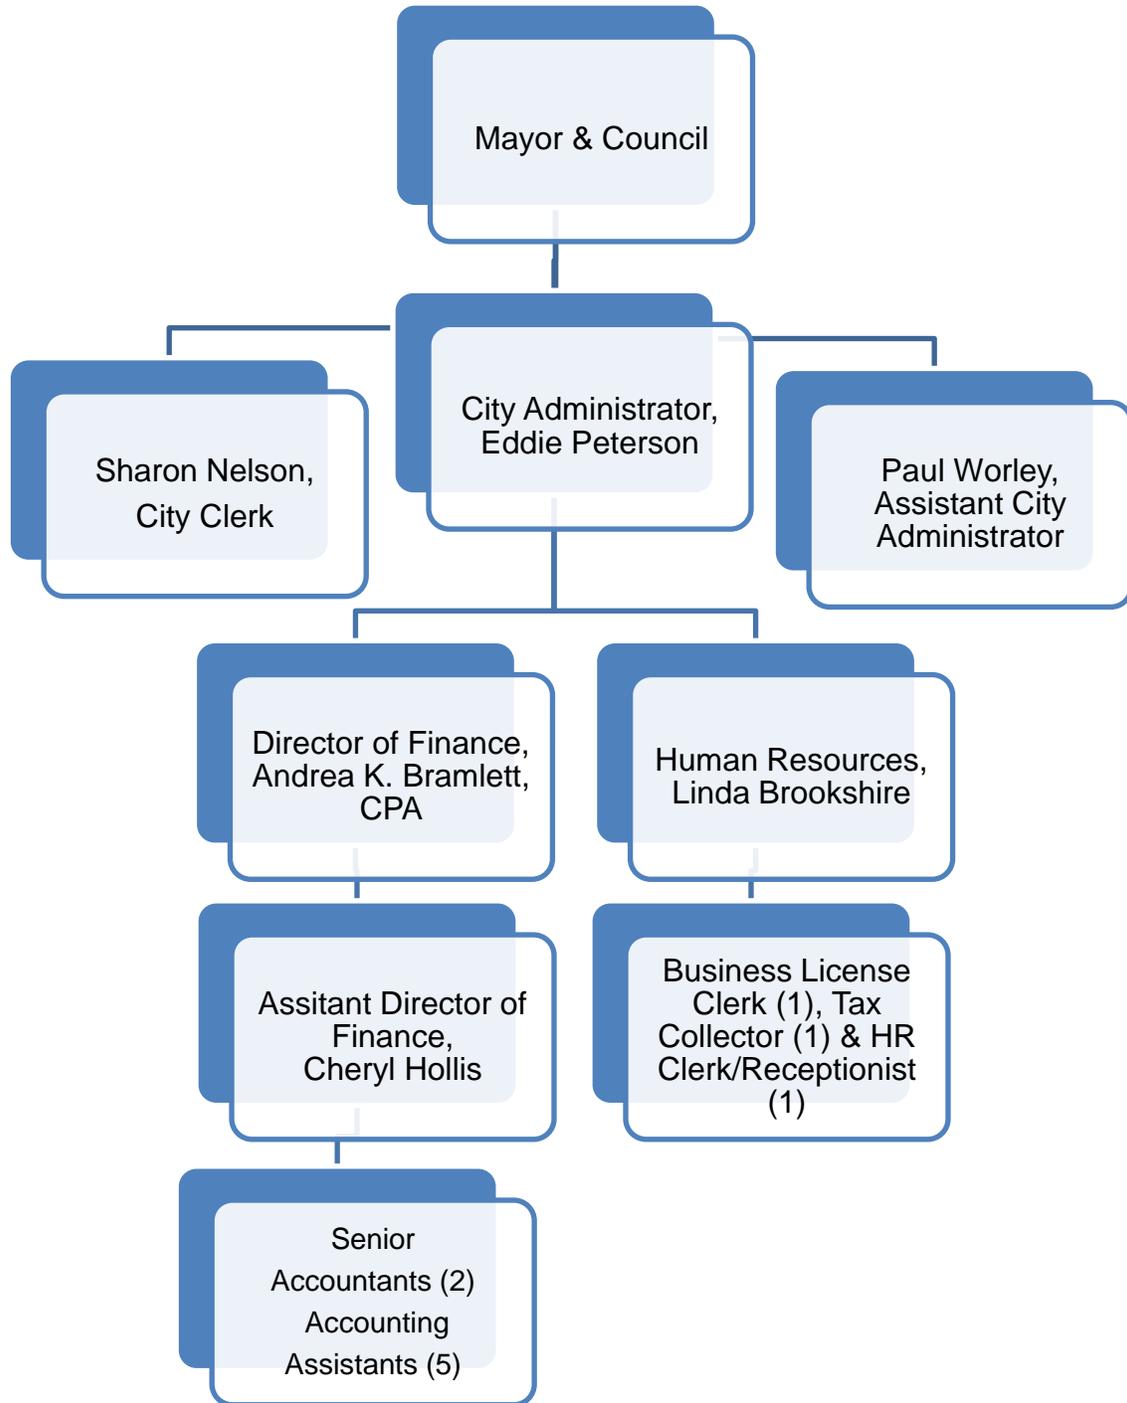

The City of Calhoun's General Administration is made up of several different divisions, including Mayor and Council, Elections, City Administrator, Tax Administration, Human Resources and Risk Management. General Administration's goal is to organize the City with a professional understanding of how all City tasks operate together to meet the expectations of its citizens and to create the best possible outcome for the City of Calhoun in the present and future.

The Administration Department provides policy direction and guidance through the Mayor and Council, manages day-to-day operations and coordinates the missions and goals of all general government departments.

The City Administrator is charged with the administration of financial affairs of the governmental funds of the City, including reporting accurate financial information, collection of revenues, payables processing, payroll, and employee management. City Hall has a limited staff that makes every effort to concentrate on the City's core services and meet the needs of the citizens of Calhoun.

# MUNICIPAL COURT SERVICES

**Town Marshal,  
Randy Jackson**

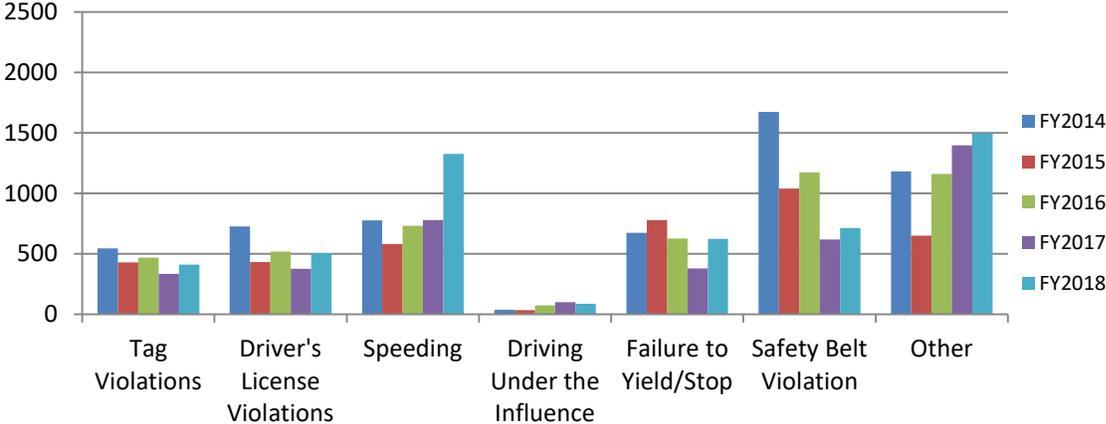

Municipal Court provides court administration and management of prisoners held in custody at area jails that have cases pending with the City of Calhoun Municipal Court. In addition, Municipal Court is responsible for collecting fines and fees imposed by the court, signing arrest warrants, hearing disputes of traffic tickets and adjudicating misdemeanors. Municipal Court has jurisdiction over the enforcement of City ordinances and traffic violations. The City contracts the services of local attorneys to serve as City prosecutor and indigent defense council. The services of a sitting judge from the Cherokee Judicial Circuit is contracted to hear cases and render a decision based on current laws. The Court works diligently to ensure fair and impartial treatment of all citizens while maintaining a working and professional court system. Municipal Court is held each Monday evening at 5:00 p.m. in Gordon County's main courtroom.

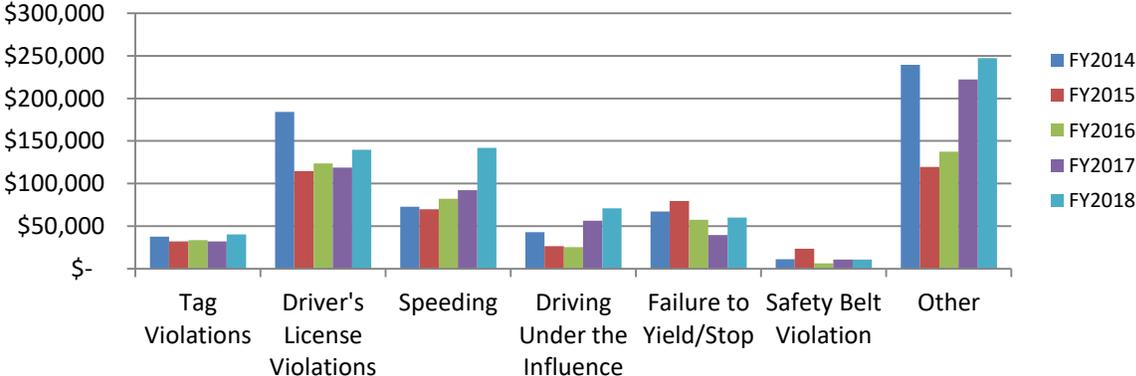

# MUNICIPAL COURT SERVICES

Municipal Court has maintained the same number of personnel (3) for several years now. Since fiscal year 2010, Municipal Court has sustained a program of collecting fines electronically. The goal for the Municipal Court remains the same; to work diligently to process cases in a timely manner, reduce the number of outstanding cases and warrants, and to train all officers of the Municipal Court to continue positive customer service.

Three full-time employees are included in the Regular Employee Wages

# ***MUNICIPAL PROBATION***

The Municipal Probation Department was split in 2012 from Municipal Court in an effort to manage growth of the City while adhering to both state and federal law. In 2013, efforts to further enhance the department continued by requiring both employees to be certified law enforcement officers. The goal of Municipal Probation was to meet all requirements of the state and federal laws in the assessment and management of offenders within the City of Calhoun and its Court System in an effort to bring about positive change in the behavior of the offenders.

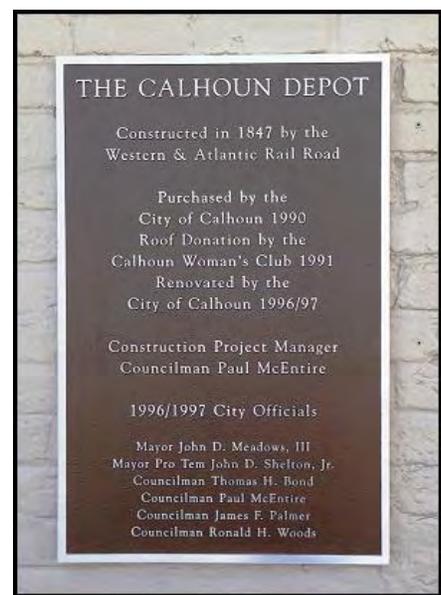

In May of 2016, the City began to outsource the probation duties to a private probation provider in an effort to effectively supervise probationers in accordance with new and existing State and Federal laws in the most effective manner.

# COMMUNITY SERVICES

This department includes several services offered to the citizens of Calhoun. These services include; “Food for the Aging” program, as well as community meeting spaces in the auditorium, depot, and community center. Financial support is given to the library and support of non-profit organizations in the community, such as the Voluntary Action Center, Arts Council, Gordon County’s Commission on Children, Big Brother/Big Sister, and the Winner’s Club. In addition, the bi-monthly council meeting is held at the depot, which also houses offices for Downtown Development and United Way.

# **COMMUNITY DEVELOPMENT**

**Director of Community Development,  
Don McGinnis**

The Community Development Department functions to insure the safety and health of the public. This department performs reviews of blueprints and inspections of new structures to be built and occupied by citizens. This department strives to provide collective action and generate solutions for the public related to zoning issues. The Community Development Department provides code enforcement and nuisance services to the citizens as needed.

The overall goal of Community Development is to provide the City with a quality plan and administrative code that enhances and protects the economic, environmental, historical and cultural resources of the City of Calhoun.

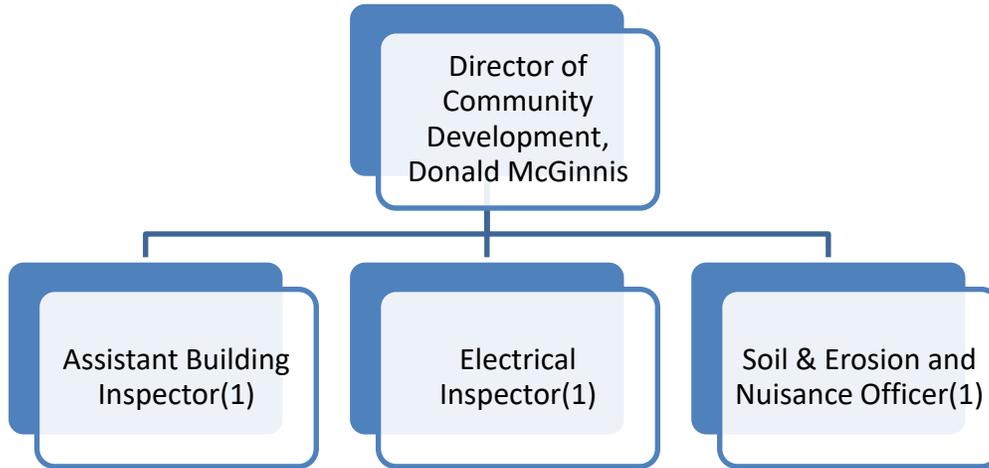

**Ordinance Officer,  
Neal Russell**

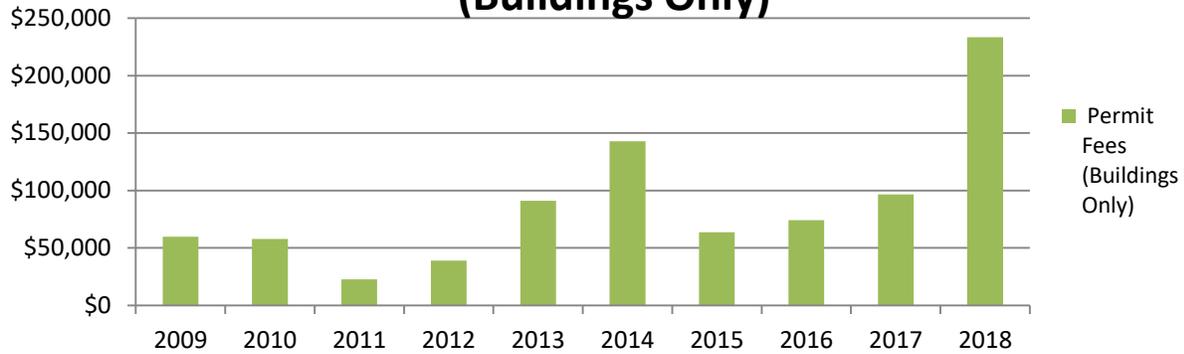

**Assistant Building Inspector,  
Joey Moore**

# DOWNTOWN DEVELOPMENT & MAIN STREET PROGRAM

Suzanne Roberts,  
Downtown Development Director

The Downtown Development Authority is dedicated to promoting economic development, preserving the City's historic past and conserving its natural beauty all while protecting its small town atmosphere. The Authority supports downtown businesses with various types of marketing and advertising strategies throughout the year. The DDA sponsors events at the GEM Theatre and the Harris Arts Center to allow the community to enjoy professional entertainment at a reasonable cost. Events such as BBQ Boogie & Blues in the spring to Harvest Fest in the fall are available to the community at no cost.

The Historic Preservation Commission was instrumental in obtaining the unique positioning for the Calhoun's Historic Downtown Business District on the National Registry of Historic Places. The goal of the HPC is to uphold the City of Calhoun's rich heritage.

One full-time employee is included in the Regular Employee Wages

# AIRPORT

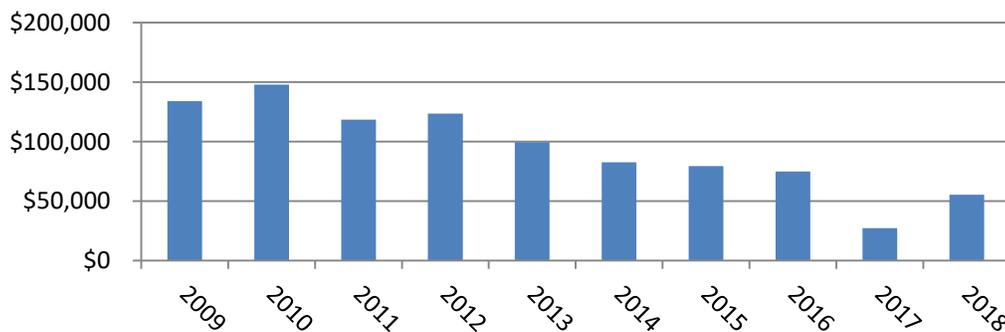

The Tom B. David Airport is the aviation gateway to Northwest Georgia and the fastest way to reach the best the region has to offer. The Airport has undergone major facilities improvements over the past few years. They include the construction of a modern terminal building, which provides a comfortable, professional pilot lounge, flight planning room, restrooms, a meeting room, lobby, and administrative offices. The terminal features complimentary Wi-Fi and features a second level observation deck to better view flight operations. Additional improvements include the resurfacing, widening, and lengthening of the runway, self-service fuel dispensing system, and additional large and small hangars. The City and County contributed equally to these projects. A portion of the wages paid by the City will be reimbursed by the County. The Tom B. David Airport offers to both the non-aviation and the aviation citizens of Calhoun and Gordon County the best in air travel by promoting aeronautic education, safety and security.

# ***POLICE DEPARTMENT***

## **Mission Statement:**

We, the Calhoun Police Department, will serve our community with the highest degree of honesty, integrity, and professionalism. We will meet the needs of our diverse community through the continued cooperation of our administration and by cementing a bond between the citizenry, other area law enforcement agencies and ourselves. We will not forget that we exist to serve and that by enforcing the law justly and fairly, we can bring stability into our society, as no other agency can.

The Calhoun Police Department responds quickly with a wide range of services to protect, meet life issues and facilitate a feeling of safety for the citizens, businesses and visitors to the City of Calhoun. Programs such as the Car Seat Safety Grant and periodical roadblock checks aid the community by encouraging citizens to “buckle up” and “arrive alive”.

The CPD is comprised of several divisions: Administration, Criminal Investigation, Patrol, Special Operations Unit and Animal Control Administration.

Each of the men and women of these divisions are sworn to uphold the law. Some officers are specialized in areas such as surveillance, child protection and civil law enforcement while other officers are trained in investigation techniques into major crimes including fraud, rape, murder, and drug trafficking. Some officers patrol the City streets and others have the responsibility of insuring that the City’s school children remain safe either as crossing guards or as school resource officers. Still, other officers are tasked with a desk job that entails skills that are strict, organizational and managerial in nature but play an integral part in addressing over the phone issues, citizen’s request for assistance, concerns and complaints to give pronounced customer service to the public. In addition to all of these officers, the City utilizes K9 (Canine) officers that partner with K9 officers to execute their duties. All officers receive continuous training to facilitate effective knowledge to discharge their responsibilities.

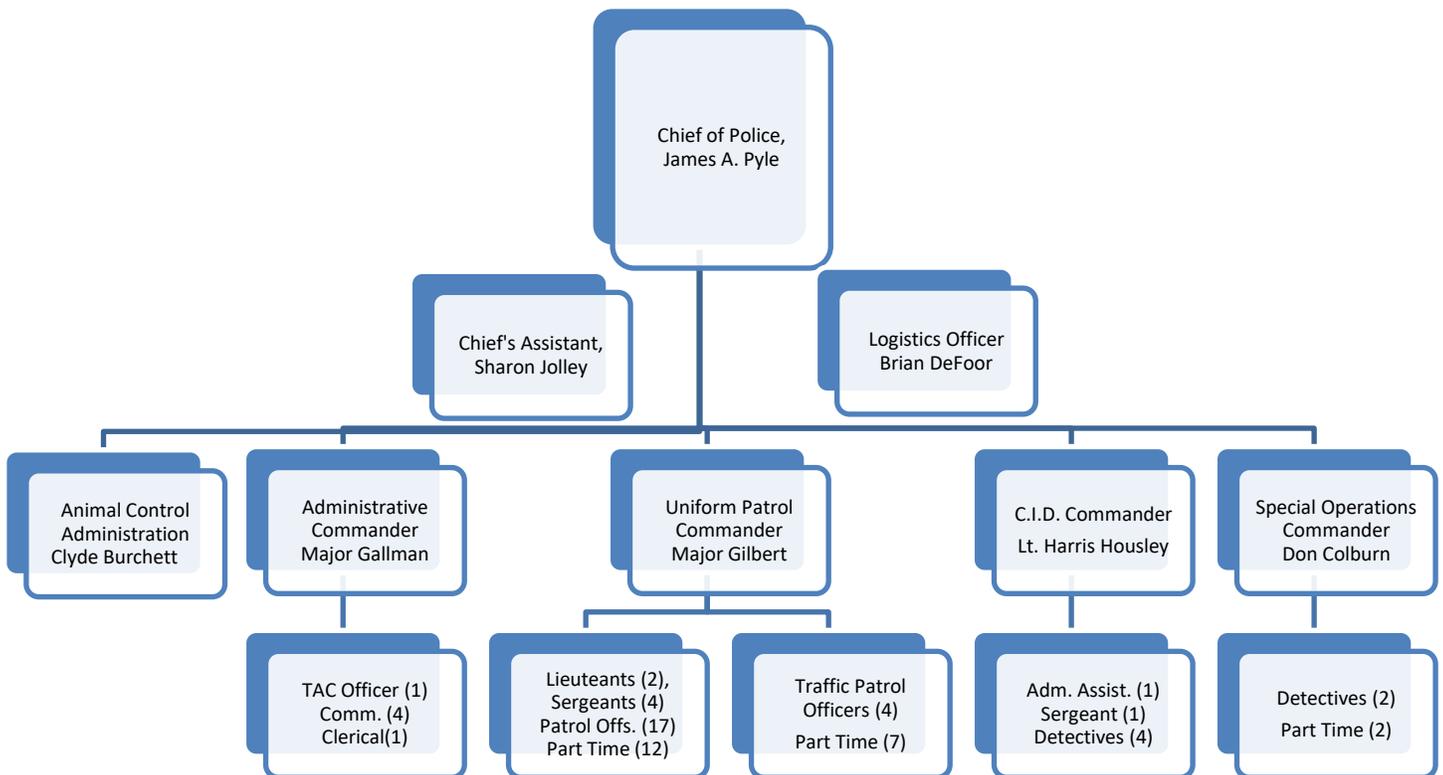

The goal of Calhoun Police Department is to demonstrate a high level of quality law enforcement that ensures the safety of the people of the City of Calhoun within the confines of existing resources.

# CALHOUN POLICE DEPARTMENT

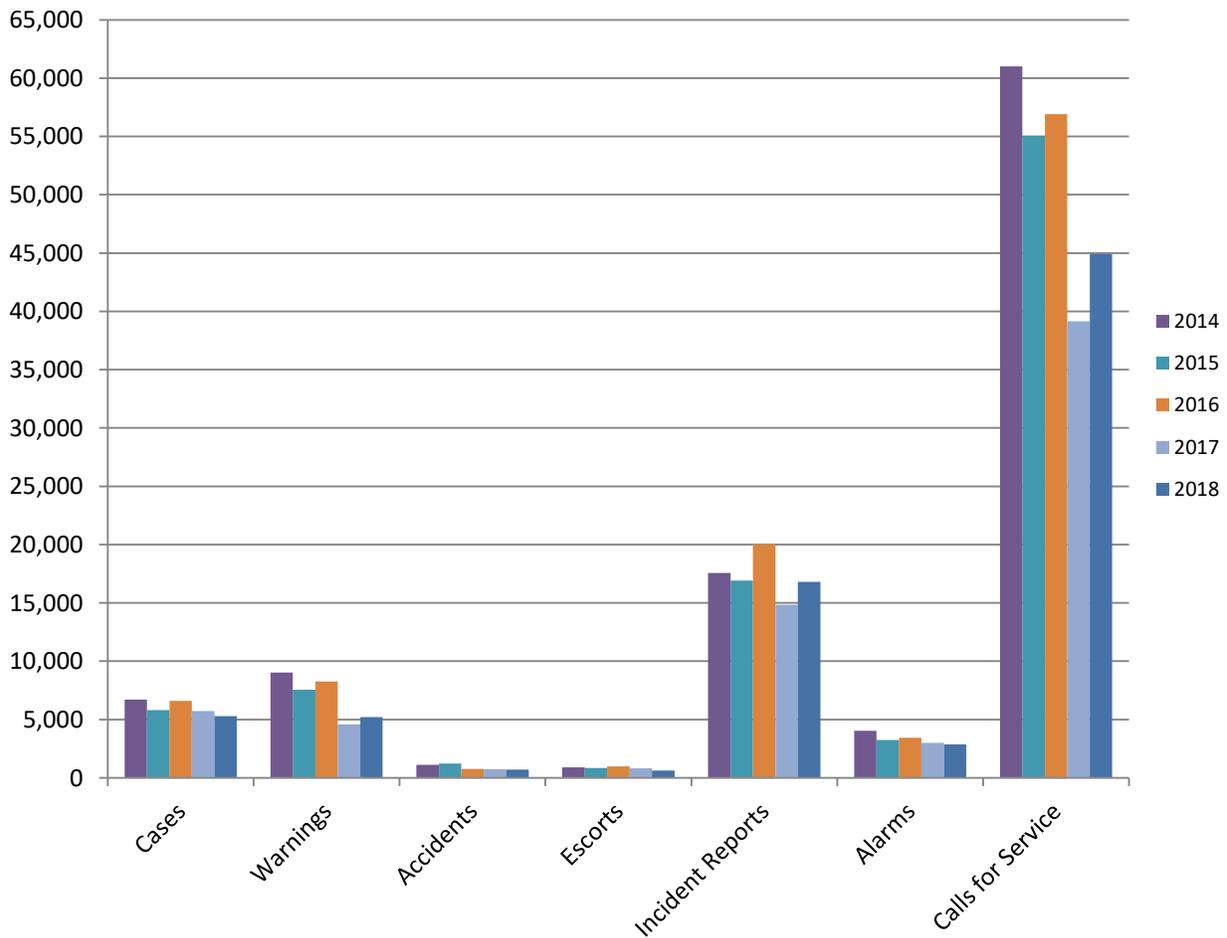

**Chief of Police,  
James A. Pyle**

# POLICE DEPARTMENT

The Calhoun Police Department has responded to the demands for increased law enforcement and decreased thefts, accidents, and other crimes. In order to facilitate the maximum use of resources, the Police Department actively solicits and encourages the cooperation of the citizens to decrease the opportunities for criminal activity. The Police Department strives to promote a high level of proficiency within the officers of the department through training and implementation of the latest and most effective techniques as well as continue law enforcement education.

## Police Activity

# ***FIRE DEPARTMENT***

## ***Mission Statement:***

***The mission of the Calhoun Fire Department is to protect the lives and property within the City of Calhoun by reducing the effects of fire, medical emergencies, hazardous materials incidents, technical rescue emergencies, disasters, and other types of emergencies.***

## ***Vision Statement:***

***Our department will provide a proactive, highly trained, professional emergency service for the City of Calhoun to conduct Fire Prevention, Fire Inspection/ Code Enforcement, Fire Investigation, Fire Suppression, Emergency Medical Treatment, Mitigation of Hazardous Materials Accidents, Technical Rescue Response, and Fire Safety Education.***

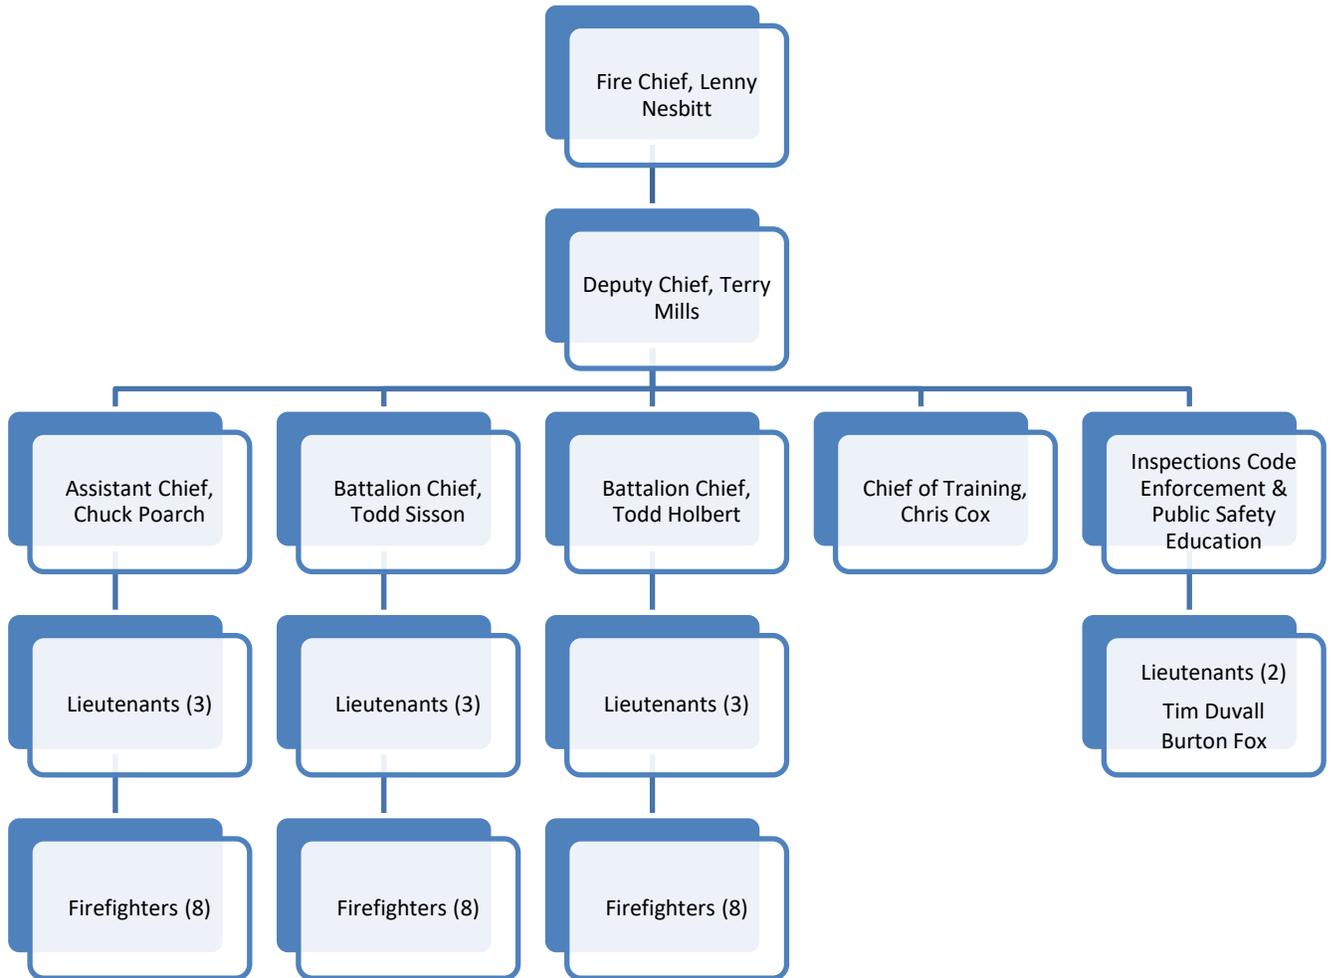

The Calhoun Fire Department provides the City with quality emergency medical services, fire cause determination, fire suppression, hazardous materials alleviation and rescue services. Currently, this department has 41 full time employees. The Administration staff consists of the Fire Chief, Deputy Fire Chief, Chief of Training and two Fire Code Inspectors. The Fire Suppression Division consists of 36 shift personnel working three 24 hour shifts. Each of the three shifts consists of a Battalion Chief, Lieutenants, and Firefighters with currently 9 of those firefighters being EMT Certified and more being added. There are currently three stations covering the City of Calhoun with property purchased to

construct a fourth station. The Department has a multifunction Fire Training Facility capable of producing live fire training, simulated rescues, as well as high angle and confined space rescues. The City built this facility to train entry and experienced fire suppression personnel to engage in a controlled fire situation in order to be prepared for a real life fire and to lessen the risk of injuries or death. This facility is also being used by the State Fire Academy as a regional training site for Northwest Georgia for live burn and other training opportunities as well as by other local agencies. The City limit area protected by the Department is approximately 15 square miles with a residential population of over 16,000 and a service delivery population of approximately 24,000. The coverage area includes industrial parks, the downtown commercial district, schools, a technical college, hospital, airport, major state routes, and the interstate along with other outlying commercial areas.

The Calhoun Fire Department provides other services beyond firefighting to include Fire Safety Inspections, Fire Code Enforcement, fire investigations, reviews plans for new construction, issues burn permits, sprinkler installation permits, fuel tank permits and performs requested home safety inspections. The department also holds public fire safety education classes seeing over 3,500 children per year, and the department personnel work in the schools and daycares teaching fire safety from pre-k to the fifth grade. Firefighters give tours of the stations, conduct fire extinguisher training, hold safety fairs, sponsor a smoke detector program and do blood pressure checks at the stations.

The Calhoun Fire Department will continue to assist and coordinate with all local Public Safety Agencies to better serve the public in and around the City of Calhoun.

# ***FIRE DEPARTMENT***

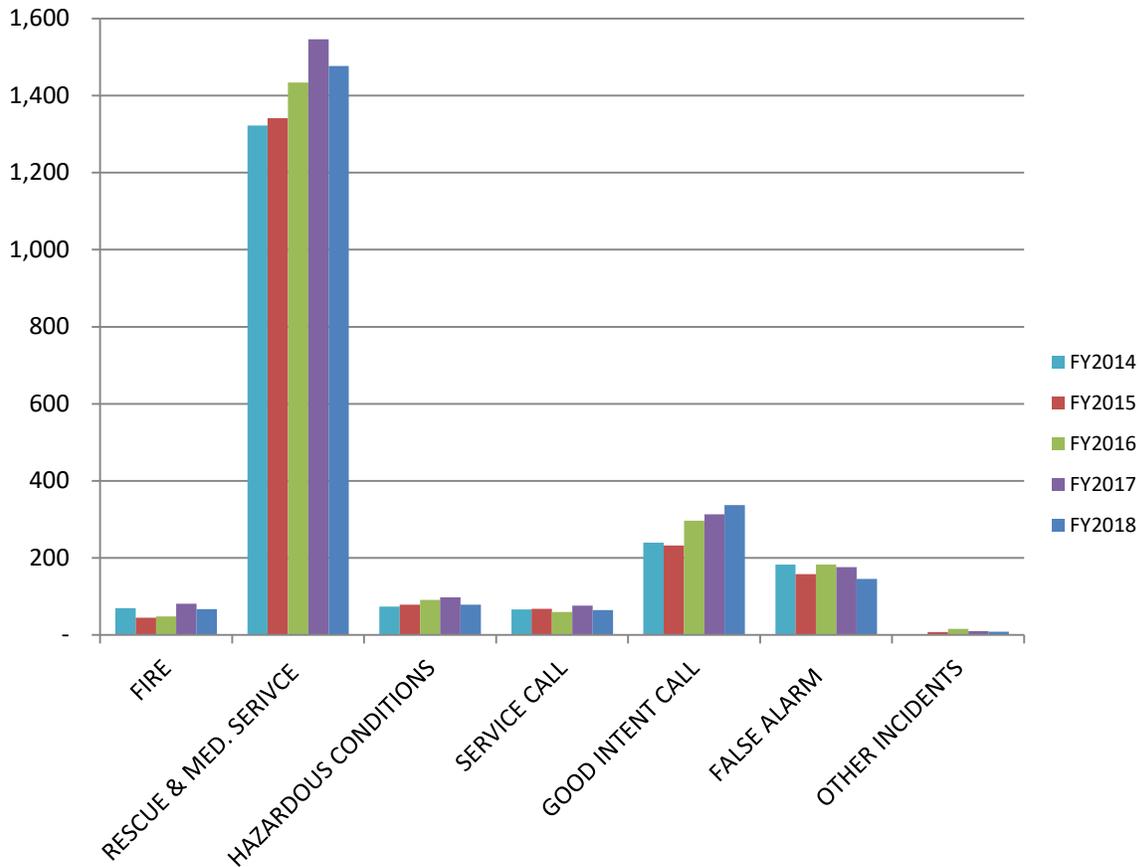

**Fire Chief,  
Lenny Nesbitt**

# FIRE DEPARTMENT

The Fire Department obtained an ISO Class 3 rating in 2013 and has retained the rating due to many hours of hard work, aggressive training, and forward thinking along with support and cooperation by Calhoun Utilities and the Mayor and Council. The Fire Chief and staff will continue to address issues and recommendations from the ISO to improve the effectiveness of the department through training, planning, and staff coordination. The department currently participates and houses the State's GSAR (Georgia Search and Rescue) Team Task Force 6. In the area of community risk reduction, as recognized by ISO, the inspections division will continue to be aggressive in the areas of public safety education and inspections/code enforcement to prevent fires and accidents.

# PUBLIC WORKS

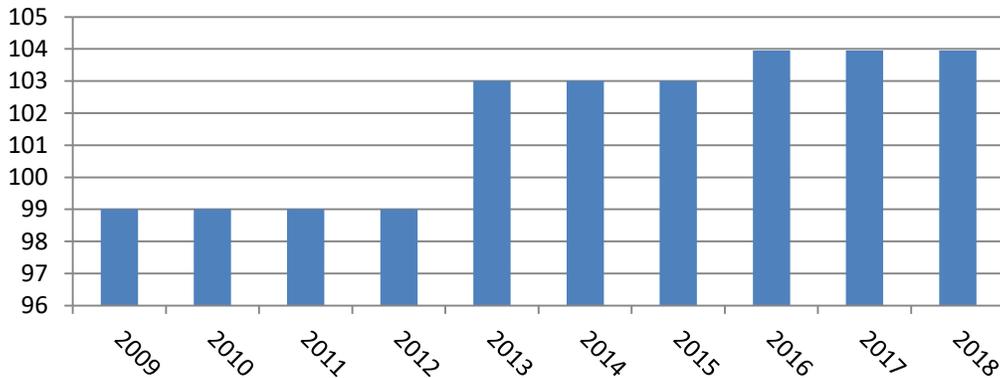

The Public Works Department consists of many areas working together to help ensure the comfort and safety of our citizens. It maintains safe street conditions by paving streets, maintaining the right-of-way, managing storm water systems, and maintaining traffic control devices. The Public Works Department provides animal control services and maintains the City's cemeteries, parks and sidewalks.

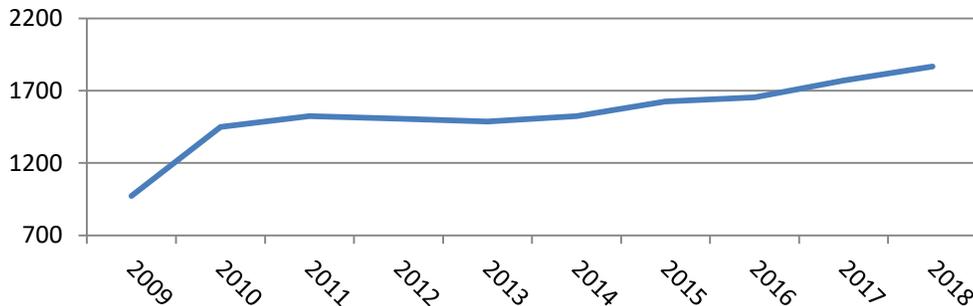

The Street Department is responsible for the upkeep of 107 miles of City streets, many miles of sidewalks, and the storm water drainage system.

The Maintenance Department maintains all City owned buildings and grounds, (other than Utilities) easements and right-of-way.

### Streets (miles)

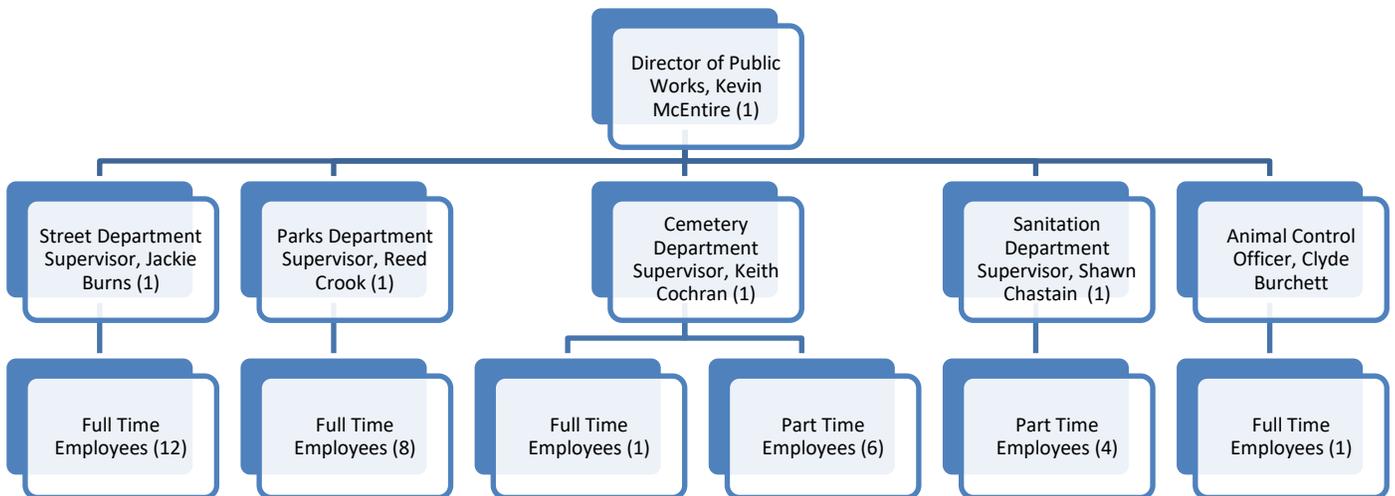

### Street lights

# PUBLIC WORKS

**Director of Public Works,  
Kevin McEntire**

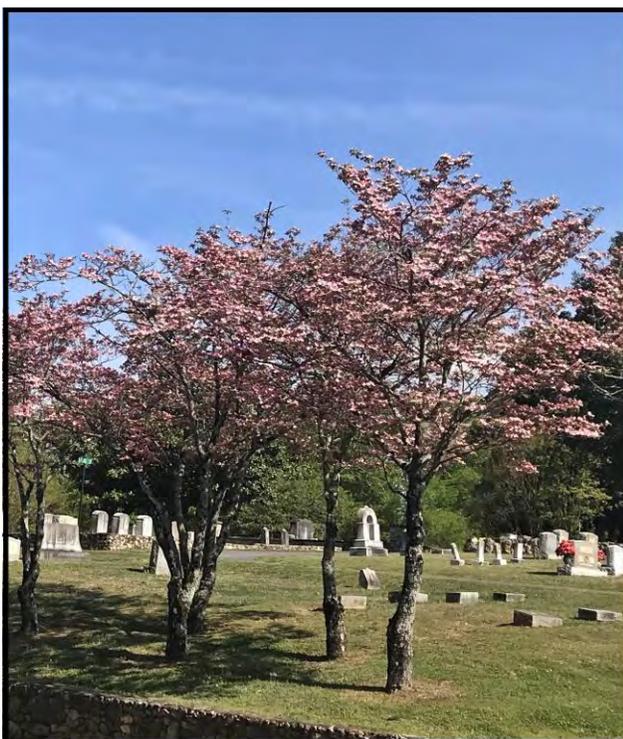

# PUBLIC WORKS

Public Works will continue its core activities that include patching, resurfacing and paving streets, street sweeping, mowing, vegetation control, brush pickup and special events. DOT LMIG paving grants along with a 4 mile paving agreement per year with Gordon County have provided additional funding for maintaining safe and efficient movement of the public and goods within the City of Calhoun.

In 2019, the City of Calhoun moved into the modern era with the completion of phase one of the Peter Street Project which includes the addition of the roundabout. The current plans are to continue with the second phase of the project which incorporates new sidewalks, gutters and paving from roundabout to Richardson Road once utility upgrades & construction work are completed.

The Street Department along with other areas of Public Works, such as Animal Control, Maintenance, Cemetery, and Parks & Beautification work hand in hand with other departments and the community to provide many fundamental services for the City of Calhoun's citizens.

# ***SPECIAL REVENUE FUNDS***

Special revenue funds are used to account for revenues and expenditures that are legally restricted for special purposes, such as grants, or are used to account for functions that charge special fees and operate using these earmarked revenue sources. The special revenue funds include:

The ***Revolving Loan*** (UDAG) fund is a grant from the state that was received years ago and is used to make low-interest loans to local businesses and promote small business growth. The low fixed interest rates on these loans are competitive with prevailing market rates and have made these loans highly desirable by local business owners.

The ***Confiscated Assets*** fund accounts for police seizures and expenditures according to Georgia law that can be used for drug-related police activities. The police department has used these funds for undercover drug-buy operations and the community DARE program.

The ***Hotel/Motel Tax*** fund accounts for the collection and disbursement of hotel/motel taxes according to Georgia law. Revenues are allocated to the Calhoun Chamber of Commerce, Calhoun Recreation, Downtown Development Authority, and the General Fund.

The ***Recreation Fund*** which accounts for revenues received from participants and local grants, as well as donations in order to provide recreational opportunities for our citizens.

# RECREATION

Enhancing the quality of life for all citizens living within Calhoun and Gordon County by filling leisure time with an enjoyable activity that helps to facilitate the fitness, relieve stress and bolster the citizens to just have “fun” is a goal of the Calhoun Recreation Department.

The Calhoun Recreation Department is an entryway to several sports programs and recreational activities that encourage the residents of Calhoun and Gordon County to maintain a healthy life style. These activities include youth sports and adult leagues for softball and tennis. The Recreation Department also hosts a variety of tournaments throughout the year including baseball, softball and football. In addition, the Department seeks to provide programs that inspire some type of recreational activity outside of organized sports to its citizens and visitors of all ages. Walking trails, playgrounds, and the Billy Bearden Recreation Center are used by many citizens of the community year round.

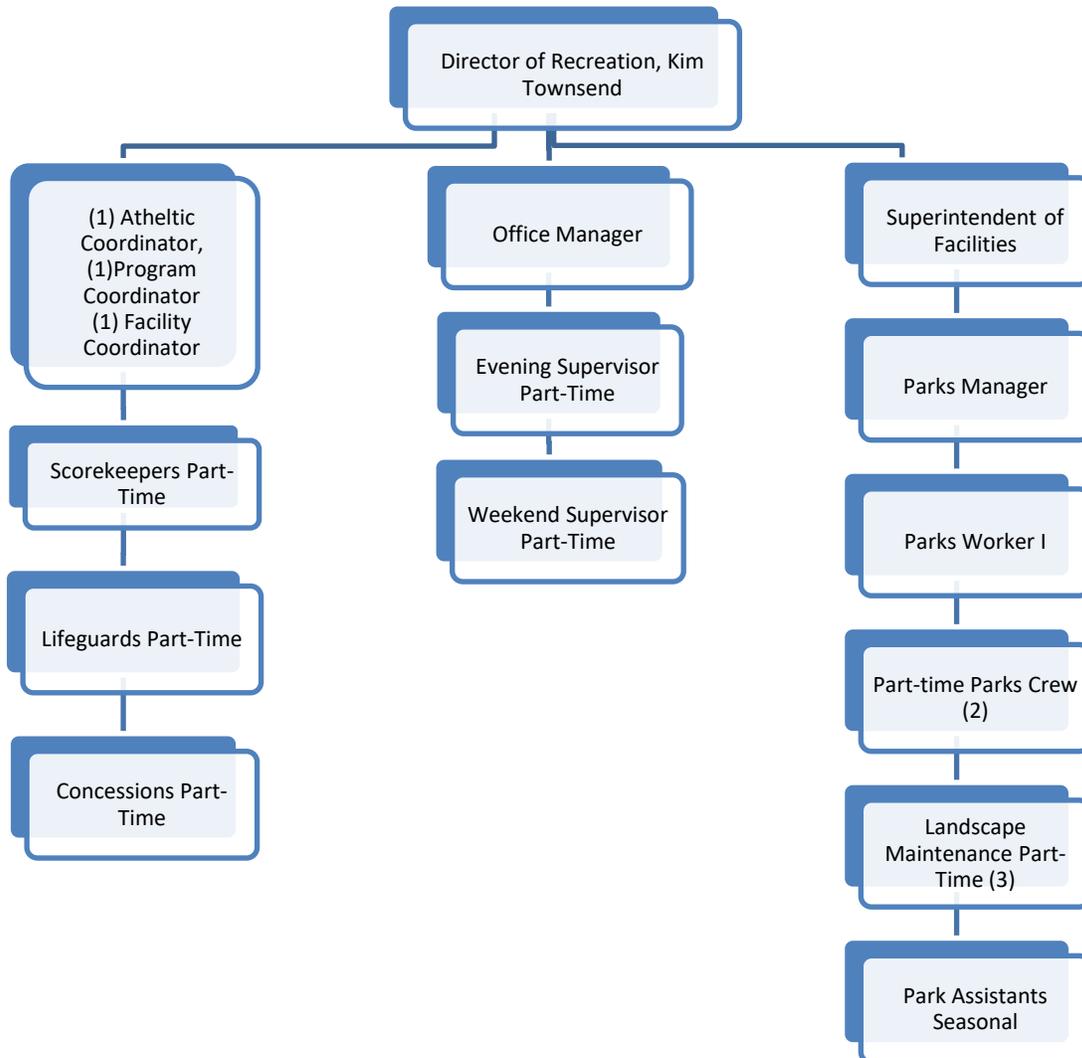

# RECREATION

**Director of Recreation,  
Kim Townsend**

**Recreation Department Staff**

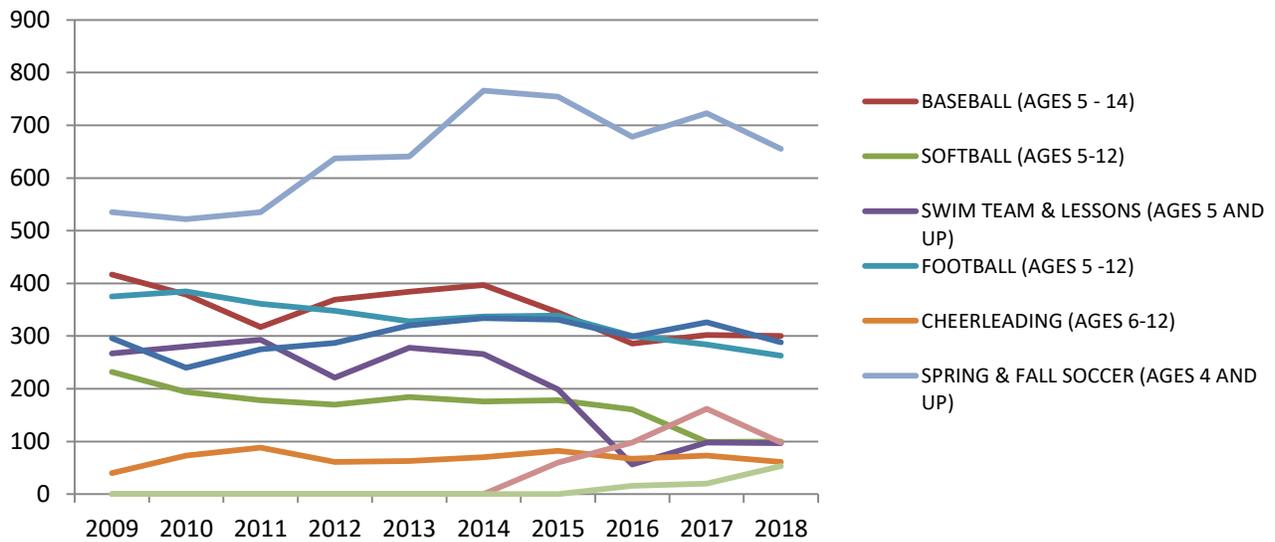

# RECREATION

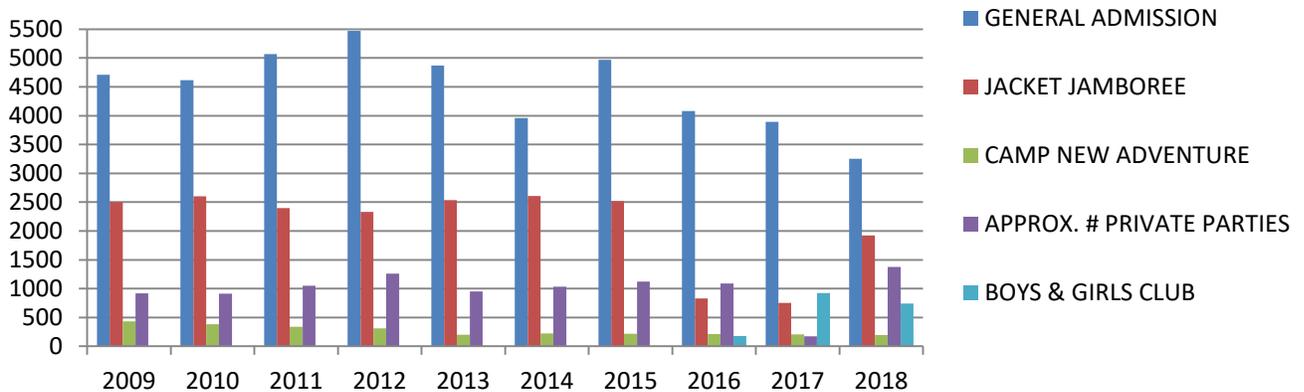

The Calhoun Recreation Department's mission is to enrich the value of life for all citizens living within population of Calhoun and Gordon County by providing a comprehensive range of recreation services designed to contribute to the physical, social and cultural needs of the community.

Calhoun Recreation Department maintains eleven baseball/softball fields, four full size soccer fields, two multi-purpose fields, one flag football field, one football field, one gym, one pool, a tennis center with fifteen courts, the largest playground in the Northwest Georgia area along with two pavilions, a walking trail, and several acres of green space. At the present time, youth baseball, softball, soccer, basketball, football, cheerleading, volleyball, adult softball, youth and adult tennis, softball and baseball tournaments, Blue Barracuda Summer swim team, Summer Adventure Day Camps, and STARS are all programming opportunities that this department has to offer to the citizens of Calhoun and Gordon County.

## Sport Participation

## Pool Usage

## PARTICIPANT RECREATION FOOTNOTES

1      Eight full-time employees and an average of twenty-four part-time employees are included in the Regular Employee wages

# ***DEBT SERVICE FUNDS***

***Debt Service*** funds are created to account for the accumulation of resources and the payment of currently due interest and principal on the long term debt of governmental funds.

Debt Service funds include:

The ***Golf Revenue Bonds Debt Service*** fund accounts for the debt service of Calhoun Recreation Authority revenue bonds for the Fields Ferry Golf Course, with the final annual payment of approximately \$362,000, which was paid off in FY18.

The ***School General Obligation Debt Service*** fund accounts for debt service of the City School Board of Education general obligation bonds. Education SPLOST Revenues made possible in 2013 and 2014 the early retirement of the 2002 and 2003 bonds respectively. Bonds were issued in 2011 and 2012 to build the new Middle School / High School complex.

# ***AGENCY FUND***

An agency fund collects cash to be held temporarily for an authorized recipient to whom it will later be disbursed.

The Agency Fund is:

The ***Municipal Court Agency*** fund accounts for fine collections from Calhoun Municipal Court to be disbursed to the state and other proper authorities. A fine administration fee is also charged and transferred monthly to the general fund, along with any remaining collections not paid out to other parties.

# ***CAPITAL PROJECT FUNDS***

Capital Project funds are established for the construction or purchase of significant capital assets used by governmental funds only. They may be used to account for tax revenues specifically identified for capital projects, such as Special Purpose Local Option Sales Tax (SPLOST).

Capital project funds include:

The **2005 SPLOST** fund collections ended in 2012. Previously collected revenues were dispensed in 2018 for the completion of water and sewer improvements and public safety improvements. Because EPD mandated levels for phosphorous have been reached, funds originally appropriated for the phosphorous upgrade at the sewer plant were utilized for other water and sewer projects. This SPLOST has now been completed and all funds expended.

The **2011 SPLOST** collections ended in 2018. The prior collections will continue to account for SPLOST capital outlay for utility system upgrades, recreation, library, infrastructure, and public safety projects, as well as much needed equipment until all funds are exhausted.

The **2018 SPLOST** fund accounts for SPLOST revenues collected and capital outlay for equipment needs for Recreation, Public Safety, Public Works and Utility projects.

The **ESPLOST** fund accounts for revenues approved for pay-as-you-go projects and capital outlay for the City of Calhoun Schools. The School referendum approved \$2.5 million for pay-as-you-go projects that have been used to renovate the gym and field house. The remaining amount is being held for future needs and for early retirement of the school bonds.

# SOLID WASTE

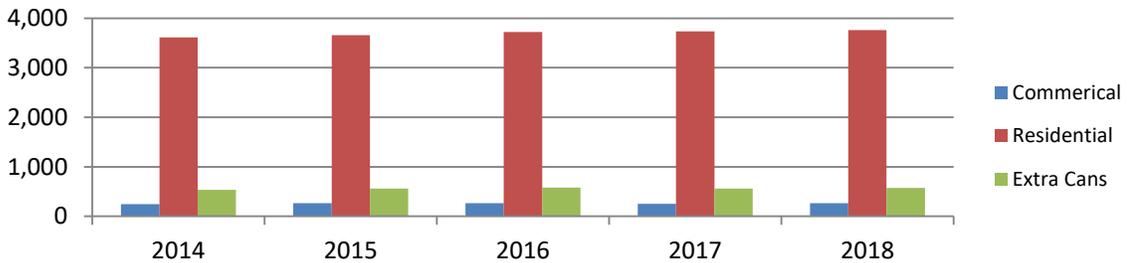

The City of Calhoun provides residential and downtown commercial curb-side pick-up service through a contract with a private vendor. Other than residential and downtown commercial solid waste collection, this fund provides pick-up of brush, limbs and leaves for residential customers without a direct charge. Brush collected is ground and used in other city operations. A leaf vacuum is operated for approximately five months a year to keep City streets clean. The City maintains a recycling drop off center for #1 and #2 plastic bottles, paper, magazines, glass, cardboard, aluminum and tin cans. Cardboard is

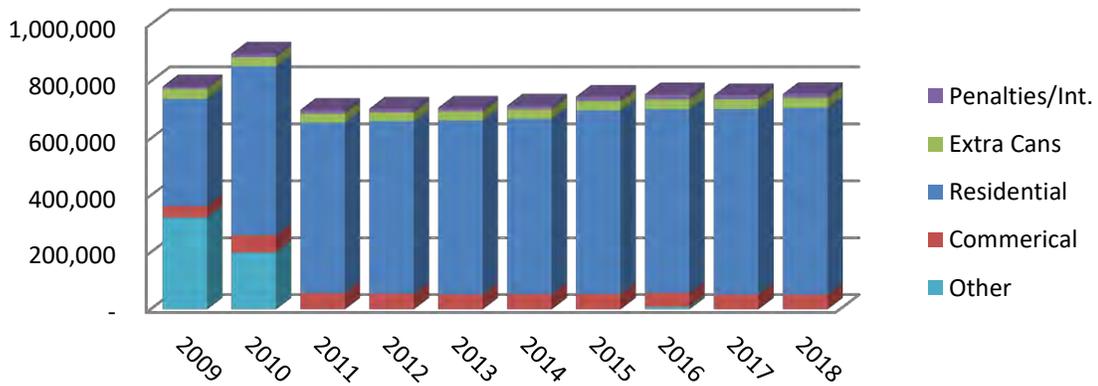

collected in eight recycling bins that are strategically placed in the downtown area. The Solid Waste fund also accounts for post-closure monitoring costs associated with the City's landfill.

The City makes every effort to continue to provide distinguished customer service associated with the area of solid waste collection and disposal in a cost-effective manner while maintaining the highest degree of quality now and in the future.

### Number of Customers

# ***FIELDS FERRY GOLF MAINTENANCE***

**Superintendent,  
David Locke**

The maintenance staff of Fields Ferry Golf Course works to continuously groom, setup, and maintain a top-notch course that meets the expectations of the citizens of Calhoun. The superintendent and his staff adjust their maintenance practices to fit the Champion Ultra Dwarf Bermuda greens. This assures that the greens provide a fast and firm putting surface resulting in the players enjoying their golfing experience.

The staff continues to work on the sand traps and drainage issues throughout the golf course and maintain the irrigation system to lessen the amount of wet areas on the golf course and assist the greens to reach their full potential. Every hole of this beautiful 18-hole golf course presents the professional turf management team with its own set of unique issues such as soil conditions, weather conditions and pin positioning and this makes it necessary for the staff to constantly monitor and adjust their daily scheduled work to account for these ever-changing circumstances.

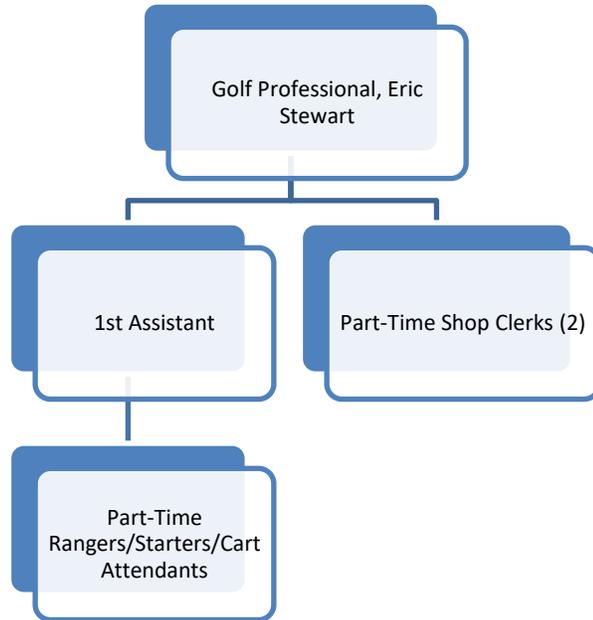

The goal of the maintenance crew is to preserve all areas of the course and to keep it in the best condition possible so that citizens and visitors alike can enjoy our state-of-the-art golf course.

# FIELDS FERRY GOLF PROFESSIONAL & PRO SHOP

**Golf Professional,  
Eric Stewart**

The promotion of Fields Ferry Golf Club and the game of golf to local and out of town customers continue to be the priority of the pro shop. The pro shop manages tournaments, has competitive daily fees and annual pass rates in an effort to optimize revenues.

An important topic at Fields Ferry Golf Club and golf in general is how to facilitate the continued growth of the club and the game for years to come. The Pro Shop seeks to remedy this dilemma by introducing the youth of the area to the sport of golf along with making the course better known as a facility that can host quality tournaments and outings for all ages. The pro shop will continue to look for ways to reduce expenses while providing a quality golf experience.

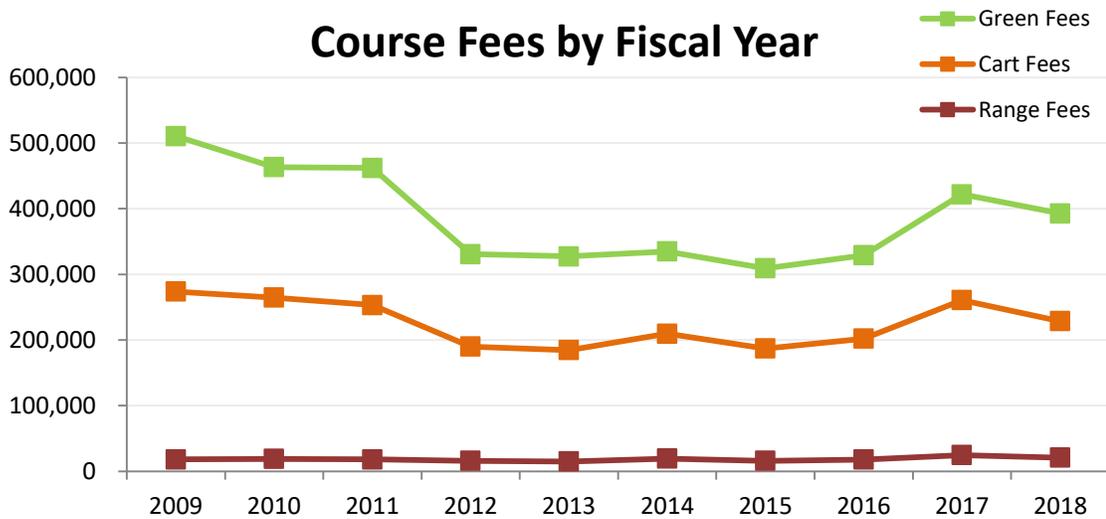

# FIELDS FERRY GOLF

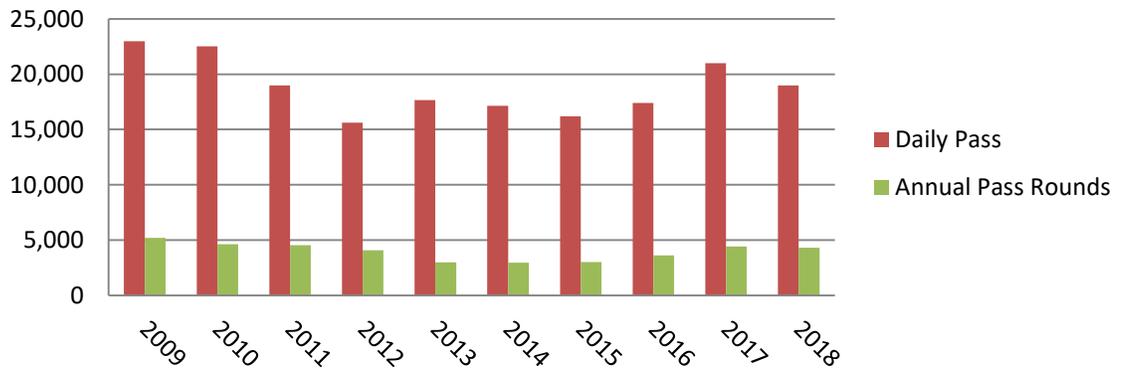

The golf maintenance and pro shop superintendents are determined to increase revenues and continue to promote expansion of prospective clientele while continuing to provide a first rate golf course. The course added Champion Ultra Dwarf Bermuda greens and new golf carts in order to enhance the course's clientele golfing experience. Rates have remained competitive with the surrounding markets and the City expects to compete with this market for prospective members for many years to come.

## Glossary –

### **Ad Valorem Tax Due Dates:**

2018 Taxes	Dec. 20, 2018
2017 Taxes	Dec. 20, 2017
2016 Taxes	Dec. 20, 2016

**Advisory Golf Commission:** A ten member Golf Commission appointed by the Mayor and Council with duties to advise and make recommendations to the Mayor and Council on all matters of policy relating to the construction, operation, personnel, management, pricing, and budget of Fields Ferry Golf Club.

**Airport CID Lease Agreement:** The City of Calhoun leases an office building from the Airport Authority for the CID division of the police department. The fee is \$1,300 per month.

**Alcoholic Beverage Excise Tax:** The City of Calhoun levies excise taxes in the amounts of 22 cents per liter of wine and 22 cents per liter of distilled spirits. There is also a 5 cent levy per 12 ounces on all bottles, cans, and containers of beer sold in the City. Containers of draft beer are taxable at \$6 for every 15 ½ gallons.

**Annual Pass:** A yearly payment for green, cart or range fees. Annual passes are unlimited use for one calendar year from date of purchase. Annual fees start at \$500 and go up to \$2,000.

**Asset Seizure Account #1:** These are funds held for disposition after a court case has been determined.

**Asset Seizure Account #2:** Funds held for pending cases going to court to determine the judgment and distribution of the funds.

**Asset Seizure Account #3:** Department of Justice funds from federal court cases awarded to police department for specific use through the “Asset Sharing Program” of the Federal government. (Such as: DEA, FBI, ATF, etc.)

**Asset Seizure Account #4:** Funds considered as evidence (found, abandoned, or taken at time of arrest) not eligible for filing seizure and may or may not be given back to owner. This money must be in a non-interest bearing account.

**Asset Seizure Account #5:** Department of Treasury funds from federal court cases to police department for specific use which are distributed by the Federal Government Agencies (such as: IRS, ICE, etc.).

**Annual Leave (Vacation Leave):** One year of employment receives one week vacation. Two years employment receives two weeks of vacation. Eight years of employment is granted three weeks of vacation. Eighteen years of employment receives four weeks of vacation. No annual leave can be accrued; all vacation must be taken or lost.

**Calhoun Defined Benefit Formula:** Average wage for the last 5 years of service prior to retirement x 1.5% x the number of years worked since 2003. Example: \$40,000 x 1.5% = \$600 x 20 years = \$12,000 per year. Those who worked for Calhoun prior to 1981 can use those years in their total calculation, but there are only a handful of employees who fall under the 1981 clause.

**Calhoun Housing Authority:** The Calhoun Housing Authority was created September 6, 1950 between the Housing Authority Board and the City of Calhoun. The Housing Authority is funded by the Federal government. Calhoun receives payments in lieu of taxes from the Federal government for the property.

**Calhoun Recreation Authority:** A seven member board, appointed by the City Council that makes recommendations regarding recreation activities to the Recreation Director and the Council.

**Cemetery Trust Fund:** The monies associated with the sale of lots are placed in a fund for perpetual care of the two cemeteries. Spaces are priced at \$500 each of which \$300 goes to the cemetery trust account to assist with the upkeep of the cemeteries. At present, a total of 10,450 existing sites between Fain and Chandler.

**Downtown Development Authority:** Consists of seven council appointed members and is responsible for downtown revitalization.

**Employee Group Health Insurance:** Calhoun has contracted with Blue Cross/Blue Shield of Georgia since July 1, 2006. The current plan is a HMO with a \$2,500 deductible and a Health Reimbursement Account that will reimburse employees \$2,000 of the deductible from the City.

**Fields Ferry Golf Course:** The Calhoun Recreation Commission purchased 207 acres for the purpose of a municipal golf course in October 1992. In October 2018, debts associated with purchase and construction of the golf course were paid in full.

**Franchise Tax:** This tax is a source of revenue paid by utility companies for the privilege of using the City's rights-of-way in order to sell goods or services to the public. Franchise fees are collected by all utilities selling goods or services within the City, including gas, electric, telephone and cable at a rate between 3% and 5% of gross revenues. Collections from outside vendors vary from monthly, quarterly, or annually.

**Franchise Tax Calhoun Utilities:** Calhoun Utilities pays franchise fees for the services of electric, telecommunications, water and sewer revenues at a rate of 4%.

**Freeport Exemption:** Calhoun has elected to exempt 80% of all raw materials and goods in process of manufacturers for local industries, finished goods produced in Georgia within the last 12 months, and finished goods stored in Georgia within the last 12 months and destined for shipment out of state.

**Governmental Funds:** Used to account for general municipal operations (e.g., general administration, community development, welfare, police department, fire department, and public works). The following are generic examples of governmental funds: General, Special Revenue, Capital Projects, and Debt Service.

**Green Fee:** A fee paid to play the Fields Ferry Golf Course. Fees include: cart and green fees as follows: weekend/holiday \$45.00, weekend/holiday 1pm to 3pm \$37.00, weekend/holiday twilight \$32.00, Monday – Friday \$35.00, Monday – Friday twilight \$26.00, and Senior (55 years old) Monday – Friday \$29.00. Junior fees do not include cart fee (which is only issued with a valid driver's license). Junior fees as follows: Monday – Friday \$10.00 green fee + cart fee, \$20.00 for 9 holes on weekdays, and \$23.00 for 9 holes on weekends.

**Harris Beamer Landfill:** The Harris Beamer landfill was purchased in 1978 and in 1985 Calhoun began operating the industrial landfill. In 1989, Gordon County voters passed a SPLOST for the Red Bone Ridge site. Harris Beamer operations ceased in 1991 and EPD closure requirements were completed in 1993. In 1997, the industrial site was placed on the Hazardous Site Inventory by EPD. The average cost per year is \$25,000-\$35,000 for monitoring and engineering.

**Historic Preservation Commission:** Broad powers are conveyed by the Mayor and Council to a five person commission for the purpose of delineation of historic properties, districts, and issuance of certificates of appropriateness.

**Holidays:** Legal holidays for the City of Calhoun are New Year’s, Good Friday, Memorial Day, July 4<sup>th</sup>, Labor Day, Thanksgiving, and two days for Christmas; for a total of eight paid holidays.

**Homestead Exemption:** In Calhoun, there are several exemptions for property owners of certain ages. Exemption type:

	<i>County General</i>	<i>School General</i>	<i>School Bond</i>	<i>State</i>	<i>Age</i>
Elderly	2,000	40,000	40,000	2,000	65-70
Elderly	2,000	100,000	100,000	2,000	70

**Hotel/Motel Tax:** Starting July 1, 2013 the Hotel/Motel Tax increased from 5% to 8%. The City of Calhoun distributes the Hotel/Motel Tax monthly. The distribution of the tax is as follows: Chamber of Commerce – 3.5%, Calhoun Recreation – 1%, Downtown Development Authority - .5%, and the City retains 3%.

**Independent Audit:** The City presents financial statements annually to an outside CPA who expresses an opinion about whether the financial statements are a fair representation of the City’s basic financial position and whether the City conforms to Generally Accepted Accounting Principles for the fiscal year end.

**ISO Rating:** The Insurance Service Office Rating ranges from 10 to 1, with one being the best rating for fire protection. Cities receive a single rating while counties receive a split rating according to area serviced. Calhoun has a 3, Dalton 2, Whitfield County 5, Rome/Floyd 2/2X, Cartersville 1, and Gordon County 6/9. Georgia property insurance carriers are required to take local ISO ratings into consideration when setting individual rates.

**Jail Contract Agreement:** The City does not operate a jail facility; therefore the City contracts with Gordon County for detention of City prisoners. The current rate paid for the housing of inmates is \$20.00 per day.

**Lease of Assets and Royalties:** A source of revenue paid by Calhoun Utilities electric, water and sewer funds assessed by the governing body for the lease of assets purchased by the City and to subsidize general government programs. It is based on approximately 6% of gross revenue.

**Local Issuing Authority:** Calhoun has chosen to be the LIA per O.C.G.A. 12-7-8. This allows Calhoun to implement and comply with the State mandated Erosion and Sedimentation laws.

**LOST Certificate of Distribution:** A new agreement between Calhoun, Fairmount, Resaca and Gordon County was reached in October 2018 and began in January 2019. This agreement states that the State Revenue Commissioner shall distribute to the City of Calhoun LOST proceeds collected by the state at a rate of 34.35%, Fairmount-1.30%, Resaca-1% leaving the balance of the LOST in the amount of 63.35% to Gordon County. These percentages are based on the combined population of all qualifying municipalities and the governing authority of the county that are located within the Gordon County district.

**Main Street Program:** is a state and nationally recognized program that is driven by a four-point approach for the purpose of Downtown Revitalization. The four points are Design, Promotion, Economic Restructuring, and Organization.

**Operating Reserves Policy:** The City has established a goal of maintaining cash reserves equal to three times the average monthly operating expenditures for each governmental fund.

**Ordinance 773:** Prohibits the use of any tobacco product in any City building or vehicle.

**Proprietary Funds:** Used to account for City activities that are similar to private enterprise (e.g., water, sewer, electricity, golf, solid waste, and telecom).

**Range Fee:** A fee paid to Fields Ferry Golf Club to hit practice balls on the driving range located at Fields Ferry; cost is \$4.00 per bag.

**Regulatory Fee:** Fees that help defray the cost associated with a particular service; permit and inspection fees. However, the amount of regulatory or inspection fees must not be used as a means of raising revenues for the general fund.

**Safe Streets Task Force:** A joint agreement between Calhoun, Dalton, Whitfield County, Immigration Customs Enforcement, Alcohol Tobacco Firearms, and the Federal Bureau of Investigation.

**Service Delivery 489:** An agreement for the delivery of and costing of services which are agreed upon by Calhoun and Gordon County. There are 27 basic agreements between Calhoun and Gordon County that were renewed in 2018 to coincide with the Gordon County/Calhoun Comprehensive Plan. However, at any time Calhoun or Gordon County can call for amendments or complete re-negotiations. The current Service Delivery Strategy is a ten year agreement valid through October 31, 2028.

**Service Delivery 489 Airport:** Airport annual allocation is 50/50 from Calhoun and Gordon County to the Airport Authority to supplement the airport operations budget.

**Service Delivery 489 E-911:** Gordon County provides for E-911 service for all the citizens of Gordon County through the Gordon County 911 Center. Funding for this service is provided by a telephone line service charge levied throughout Gordon County and county-wide property tax revenues.

**Service Delivery 489 Library:** The Calhoun-Gordon County Library is part of the Northwest Georgia Regional Library System, which is the fiscal agent for the Library. Calhoun and Gordon County fund the salaries and benefits for the employees. Gordon County funds 65% of salaries and employee benefits and 50% of property insurance. Calhoun funds 35% of salaries and

benefits, 50% of property insurance, and provides for property upkeep. Capital expenses are 50/50 City and County.

**Service Delivery 489 Recreation:** Gordon County provides the City of Calhoun \$275,000 per fiscal year for recreation funding which began on July 1, 2002 with increases of 3% per annum each subsequent year. The 3% annual increase applies until the contribution reaches \$500,000 which will be the maximum annual amount paid through the year 2028.

**Service Delivery 489 Roads:** Gordon County provides the City of Calhoun paving services (labor, equipment, materials) in the amount of four (4) miles of City streets each calendar year. The streets will be selected by the City of Calhoun.

**Single Audit:** This is a type of financial audit that is required by the provisions of the 1996 amendments to the U.S. Single Audit Act of 1984. This single audit is performed along with the City wide audit and includes special procedures on federal funding.

**Snack Bar Agreement:** The snack bar at Fields Ferry Golf Course is leased to an outside individual under a lease agreement which includes rent and electricity. The individual leasing the snack bar is responsible for obtaining all licenses pertaining to the sale of food, beer and all items sold in the snack bar.

**SPLOST 2011:** This SPLOST began collections April 1, 2012 and ended March 31, 2018. The capital items approved on the referendum for Calhoun were; Peter Street improvements for \$2,000,000, a new Police fleet at \$650,000, Fire and Police communication upgrades for \$100,000, Library upgrades at \$400,000, Recreation improvements for \$2,500,000, Public Works equipment and improvements at \$850,000, Utility fleet and equipment for \$700,000 and utility upgrades in the amount of \$2,421,049.

**SPLOST 2018:** This SPLOST began collections April 1, 2018 and will continue through March 2024. The capital items approved on the referendum for Calhoun were: Recreation - \$3,894,910, Public Safety - \$1,945,000, Public Works - \$6,297,910, and Utility dollars in the amount of \$1,125,000.

**Standard Building Codes:** Calhoun building inspection operates under the following codes: International Building Code, International Fuel Gas Code, International Mechanical Code, International Plumbing Code, International Electrical Code, International Fire Code, International Energy Conservation Code, International Residential Code, International Property Maintenance Code, International Building Code, and all other codes enumerated by the Board of Directors of the Georgia Department of Community Affairs. Calhoun also adheres to codes referenced in Section 18-31 of the Calhoun Code of Ordinances.

**Unemployment Benefits:** Calhoun is a reimbursable employer as it applies to unemployment benefits. An employee who is laid off can receive initial benefits of up to 20 weeks at \$330.

**Unfunded Retirement Plan:** Thirteen retired employees opted to remain on the 1981 Calhoun retirement plan. Those remaining are funded annually from the budget of the applicable department.

## ***FINANCIAL SECTION***

# **WATER & WASTE WATER SYSTEMS**

**Director of Water & Wastewater Systems,  
Jerry Crawford**

**Mission Statement:**

**To provide safe, clean drinking water to our customers, to protect public health, and to protect our environment, to maintain our water system and wastewater system at the highest possible level of integrity; to maintain a level of service unequal to others at an affordable cost.**

The Water System consists of two water treatment plants, one on Mauldin Road supplied by the intake on the Coosawattee River, wells and springs near College Street and Red Bud Road and our Brittany Drive plant off Campbell Road supplied by wells and Big Springs. Together these two plants have a permitted capacity of 30.8 million gallons per day (MGD). The distribution system consists of 852 miles of water mains and 15 storage tanks. The water system serves over 21,000 customers in Gordon County and into the fringes of Bartow, Floyd, Murray and Whitfield Counties. In addition to our normal customers, Calhoun Utilities wholesales water to Floyd County, City of Chatsworth and Pickens County.

The Wastewater System has one wastewater treatment plant located on Kirby Road. The treatment plant has a total capacity of 16 million gallons per day (MGD). The older original part of the plant was upgraded in 2007. The wastewater collection system consists of 136 miles of sanitary sewer mains and 10 lift stations.

**Brittany Drive Water Treatment  
Plant Manager,  
Ben Hall**

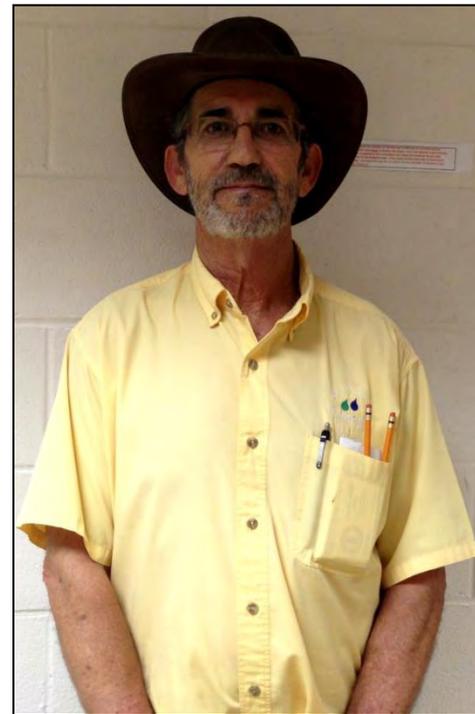

**Mauldin Road  
Water Treatment Plant Manager,  
Jeremy King**

**Water Distribution &  
Wastewater Collection Superintendent,  
Mark Williamson**

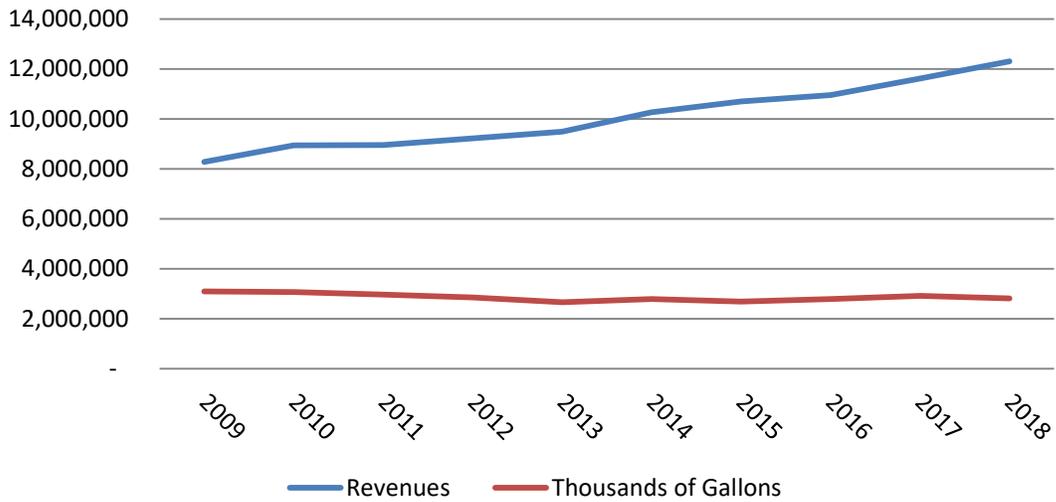

**Wastewater Treatment  
Plant Superintendent,  
John Banks**

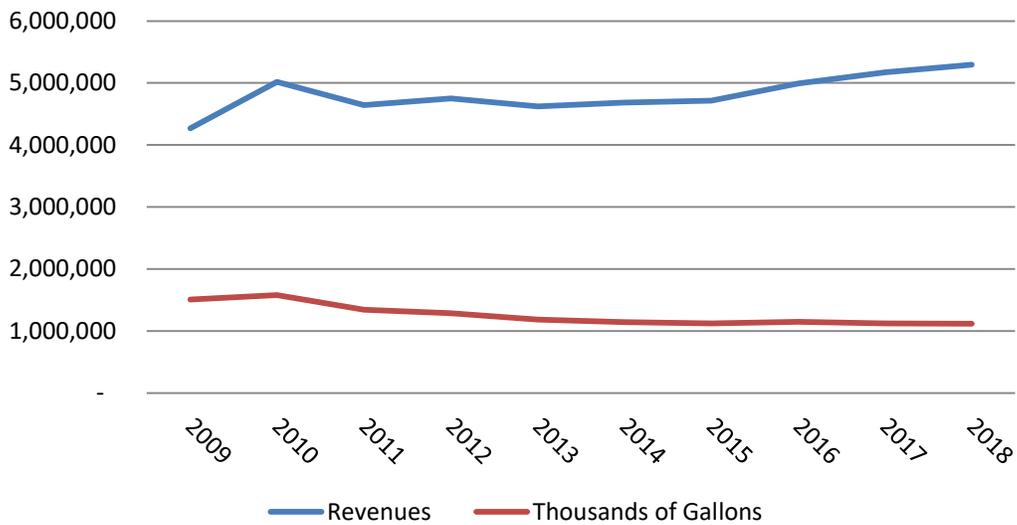

**Plant Maintenance Superintendent,  
Bobby Robertson**

2018 water revenue continued to increase from the prior year primarily due to the 3% increase in rates. There will be a 3% rate increase implemented for the next four years for operational, capital and debt expenses.

### Water

### Sewer

# **TELECOMMUNICATIONS**

**Director of Telecommunications,  
Brad Carrick**

## **Mission Statement**

**Provide the technology and services needed to meet customers' electronic communications requirements.**

Created in 1997 to meet growing customer bandwidth demand, the City of Calhoun Telecommunications Department, CALNET, implemented cutting edge technology to provide world class telecommunication services. CALNET manages over 110 miles of fiber optic plant, serving over 150 businesses with high, speed Internet and point-to-point ethernet circuits. CALNET also serves as the City of Calhoun's IT department and manages the phone system for the City and City schools.

**Network Operations  
Jeff Young**

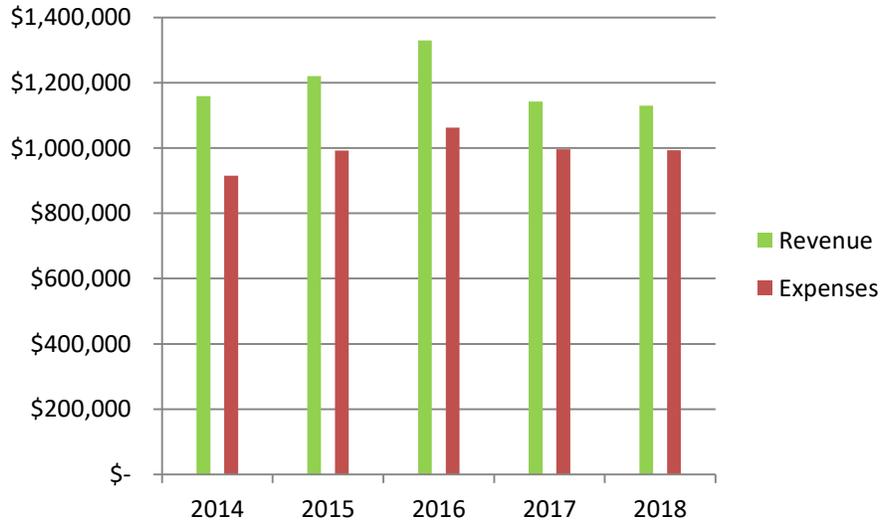

**Outside Plant Techs  
Lewis Bramlett and Tyler Smith**

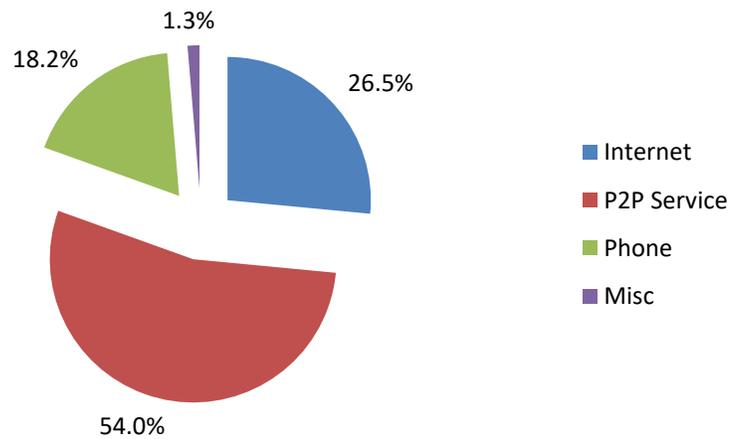

*Calhoun Utilities*  
700 West Line Street  
Calhoun, GA 30701  
"Excellence in Service"

# ***ELECTRIC DEPARTMENT***

Director of Electric,  
Jeff Defoor

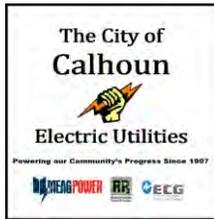

## **Mission Statement:**

**It is the goal of the City of Calhoun's Electric Department to power our community's progress with properly trained personnel able to secure a safe and productive environment for those employees and the community. This goal will insure that the distribution system is maintained at the highest level of quality and reliability. The Electric Department is committed to customer satisfaction and a state-of-the-art approach to power supply, while maintaining some of the lowest prices in the country. We believe our customers are not just a bottom line number, but are our neighbors.**

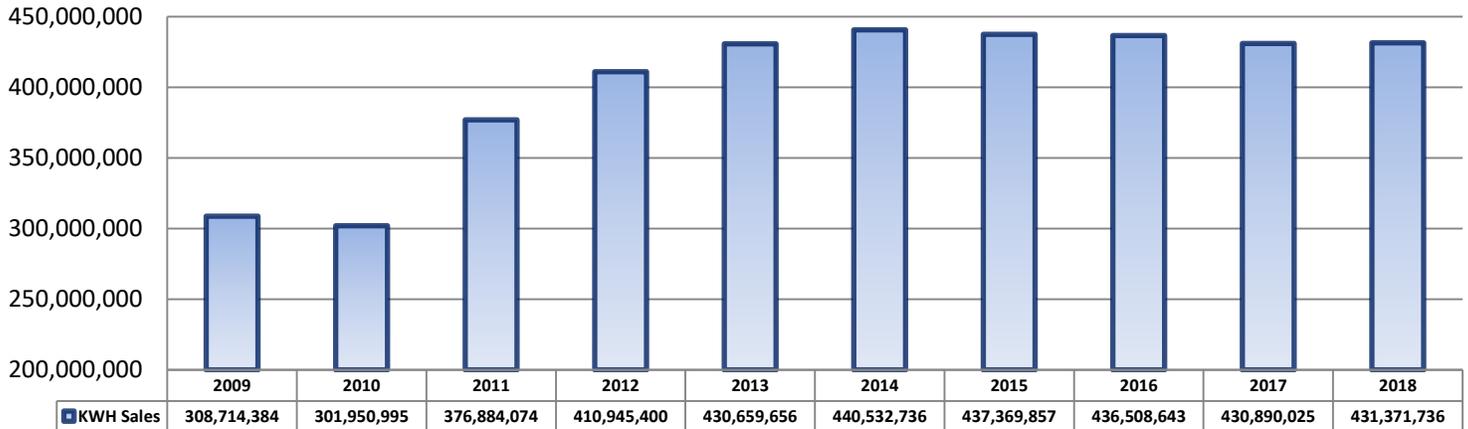

The City of Calhoun Electric System is a participant city of the Municipal Electric Authority of Georgia (MEAG). The City's electric system generates and distributes electricity to approximately 5,300 of Calhoun's residential, commercial and industrial citizens and consumers. The electric system has, in its over 100-year history, maintained reliable and low-cost service, with the goal of being the power supplier of choice now and in the new millennium.

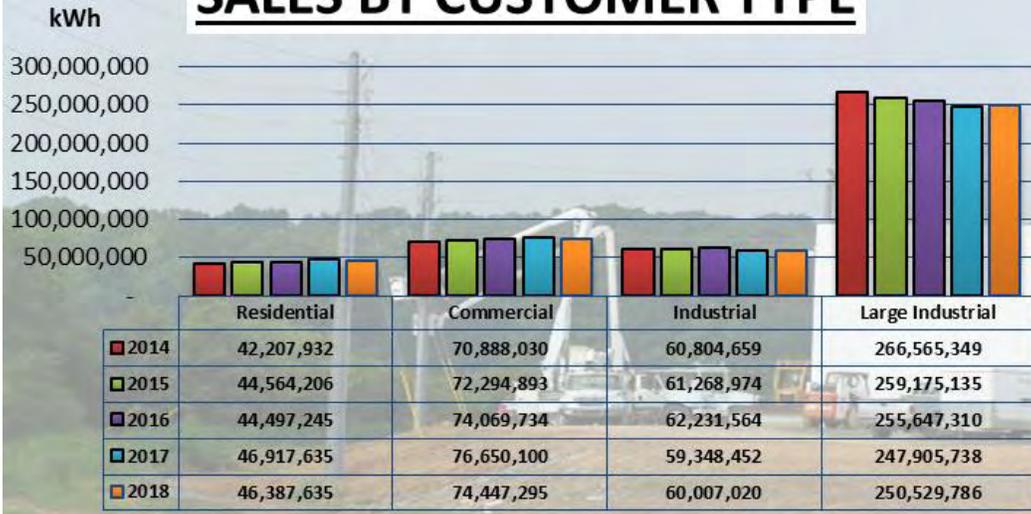

The national award winning Electrical Department has won the RP3 (Reliable Public Power Provider), Excellence in Reliability and Safety Award of Excellence from the American Public Power Association. Calhoun has strategically planned for the complicated and changing electric utility industry by operating a 22 mega-watt natural gas turbine generator, which serves to stabilize costs during volatile market conditions and add to the City's diverse resources of Gas, Nuclear, Coal and Hydroelectric Generation. Additionally, a competent and well-trained staff ensures a safe work place with diverse capability. The Electric management team has continued to pursue the acquisition of additional generation opportunities, such as the Vogtle Nuclear Units 3 & 4, jointly with MEAG and its participating cities. Calhoun provides its customers with one of the smallest carbon footprints, at 68% free of carbon emission.

# ***UTILITY ADMINISTRATION***

## **Mission Statement:**

**The Internal Service Fund is dedicated to the financing of goods and services provided by one department or agency to other departments or agencies of the City on a cost reimbursement basis.**

The City amended its structure in fiscal year 2007 to provide a Utility Division of government and a traditional General Government Division. The Utility Internal Service Fund was established to better track the administrative services that were provided for the utility funds – water, wastewater, electric and telecommunications.

Calhoun Utilities Administration Department is in charge of the day to day operations of the public utilities which are handled through the guidance of the Mayor and Council to provide plans, develop policy direction, and implement policies according to all Federal, and State rules and regulations and to ensure proper functioning of all Utility departments. This department is charged with administration of the financial affairs of Calhoun Utilities, including reporting accurate financial information, collection of billing, payables processing, and most important customer satisfaction and service.

# FINANCE

The City of Calhoun Finance Department is responsible for the overall financial services for all departments within the City. The department adheres to generally accepted government accounting principles. The department identifies appropriate financial information and communicates this to managers and decision-makers, in order that they may make informed judgments and decisions. Some duties of the Finance Department include:

- Measurement & reporting on financial results-internally and externally
- Managing expenses on capital projects & related debt
- Maintaining property & inventory records
- Managing the investments of all funds
- Budget administration
- Long-range financial planning
- Federal & State regulatory reporting

**Director of Finance**  
**Andrea K. Bramlett, CPA**

# ***WORK ORDER DISPATCH***

The Dispatch Department combines all of the tools necessary to manage a work order's life cycle, from the time the service call is received through to when the work order is completed and closed. Calhoun Utilities Dispatch Department's goal is to provide our customer with quick and accurate information and to make sure that any customer problems are handled with the care and diligence that our customers deserve.

# GIS

**Davie Crawford**  
**GIS Manager**

Created in 2007, the Geographic Information System, GIS, Department, helps collect and manage the City of Calhoun's utility and government information. The GIS department is charged with maintaining applications, developing software tools, and assisting departments with mapping hundreds of miles of utility lines, storing thousands of data points, preparing documentation for public safety and providing the platforms to display the results on computerized maps. Public, safety and utility data change daily. The GIS department provides the latest technology for City personnel, whether at their desk or in the field, to collect and display up-to-date information about our City's infrastructure.

**Micky Beckman**  
**Data Analyst**

# ***CUSTOMER SERVICE***

**Manager,  
Judith Arnold**

**Supervisor,  
Annissa Clark**

The City's Customer Service Department interacts with our most vital asset, our customers, on behalf of the City of Calhoun Utilities. They provide information about services, respond to customer complaints, set up new services and make changes to existing accounts.

# ***METER READING***

The Meter Reading Department utilizes the automated meter reading system. This technology allows for the automatic collecting of consumption diagnostics and status information in the meter without physically visiting it. Calhoun Utilities meter readers are in charge of keeping track of customer meters, connections, disconnections, repairs, and the unauthorized use of utilities through illegal connections.

**Supervisor,  
Allan Serritt**

# **BILLING**

**Manager,  
Judith Arnold**

**Supervisor,      Patty      Ceara  
Melissa Long      Edwards      Williams**

The Billing Department is responsible for ensuring that Calhoun Utilities customers are billed accurately and efficiently. We utilize the automated meter reading system and billing can be based on or near real-time consumption rather than on estimates that were based on past consumption or predicted consumption. This timely information, coupled with analysis, helps both Calhoun Utilities and its customers to better control the use and production of electric energy and water consumption.

## 2020 Budget Utility Sewer, Water and Electric Fee Summary

### Sewer Fee History

Fiscal Year	Regular Billed Dollars	Bod Dollars Billed	Total Dollars Billed	1000 Gallons	Average Price for 1000 Gallons (Excluding BOD)	Average Customers
2009	4,269,156	321,069	4,590,225	1,502,199	2.84	6,113
2010	5,018,304	397,536	5,415,840	1,582,014	3.17	6,163
2011	4,495,814	307,307	4,803,121	1,361,467	3.30	6,530
2012	4,735,165	117,671	4,852,836	1,302,302	3.64	6,547
2013	4,579,097	118,801	4,697,898	1,202,521	3.81	6,574
2014	4,536,716	156,732	4,693,448	1,164,654	3.90	6,436
2015	4,715,392	231,877	4,947,269	1,120,559	4.21	6,544
2016	4,879,677	126,573	5,006,250	1,149,950	4.24	6,657
2017	4,956,848	80,756	5,037,604	1,120,919	4.42	6,731
2018	5,096,010	106,555	5,202,566	1,150,355	4.43	6,876

### Water Fee History

Fiscal Year	Billed Dollars	1000 Gallons	Dollars Per 1000 Gal. (Averaging Minimum & inside/outside rates)	Average Customers
2009	8,262,188	3,021,126	2.73	18,869
2010	8,940,326	3,087,921	2.90	18,911
2011	8,886,887	2,969,329	2.99	18,796
2012	9,167,800	2,851,906	3.21	18,870
2013	9,495,463	2,662,934	3.57	18,978
2014	9,794,461	2,751,726	3.56	19,029
2015	10,418,551	2,697,545	3.86	19,185
2016	10,955,819	2,789,082	3.93	19,454
2017	11,614,614	2,927,280	3.97	19,596
2018	12,053,864	2,838,212	4.25	19,779

### Electric Fee History

Fiscal Year	Billed Dollars	Consumption in kWh	Average kWh in cents	Customers
2009	23,332,285	308,844,230	7.55	4,972
2010	22,841,884	301,476,976	7.58	4,966
2011	28,534,965	375,614,834	7.60	5,036
2012	31,881,369	410,945,400	7.76	5,014
2013	34,390,312	430,659,656	7.99	5,030
2014	37,306,674	440,532,736	8.47	5,103
2015	38,451,459	437,369,857	8.79	5,237
2016	37,587,069	436,508,643	8.61	5,339
2017	36,028,243	430,890,025	8.36	5,371
2018	35,991,818	431,413,031	8.34	5,433

## Glossary

**GEFA:** Georgia Environmental Finance Authority

**Kilovolt (kV):** The unit of electrical potential equal to 1,000 volts (defined herein).

**Kilowatt (kW):** One kilowatt equals 1,000 watts (defined herein).

**Kilowatt hour (kWh):** The basic unit of electric energy equal to one kilowatt of power supplied to or taken from an electric circuit steadily for one hour. One kilowatt hour equals 1,000 watt hours.

**NPDES:** National Pollutant Discharge Elimination System

**Permitted capacity:** The amount of water or wastewater permitted by the Georgia Environmental Protection Division based on the total amount of water or wastewater that can be effectually treated through the treatment system in twenty-four hours.

**Sludge Disposal/Bio Solids:** The wastewater treatment process generates solids (sludge or Bio-Solids) that must be disposed of according to the US Environmental Protection Agency's 40 CFR Part 503 regulations. The City of Calhoun utilizes a "Land Application Program" to address this issue.

**Voltage (of a Circuit):** The electric pressure of a circuit in an electric system measured in volts. It is generally a nominal rating based on the maximum normal effective difference of potential between any two conductors of the circuit. The voltage of the circuit supplying power to a transformer is called the primary voltage, as opposed to the output voltage or load-supply voltage that is called secondary voltage. In power supply practice the primary is almost always the high-voltage side and the secondary the low-voltage side of a transformer, except at generating stations.

**Water Treatment:** A process by which water is withdrawn from a source such as a river or wells and subjected to a series of treatment processes such as coagulation (addition of chemicals to change the chemistry of the water), flocculation (initiate conglomeration of particles to remove impurities), sedimentation (uses gravity to settle out particles formed during the flocculation process), and filtration ( utilizes gravity to force the settled water through layers of different size anthracite, sand and stone removing any contaminants remaining after the sedimentation process. The water is then treated with chlorine to kill any bacteria or pathogens before being pumped into the distribution system which supplies the customers.

**Watt:** The electrical unit of real power or rate of doing work. The rate of energy transfer equivalent to one ampere flowing due to an electrical pressure of one volt at unity power factor. One watt is equivalent approximately 1/746 horsepower, or one joule per second.

**Wastewater Treatment:** A process by which contaminants are removed from wastewater as household, commercial, and institutional sewerage. It includes physical, chemical, and biological processes to remove physical, chemical and biological contaminants. Its objective is to produce an environmentally safe fluid waste stream (or treated effluent) discharged back into the watershed and a solid waste (or treated sludge/bio-solids) suitable for disposal or reuse (usually as farm fertilizer).

**Water Distribution System:** A water supply network of pipes, pumps, meters, fire hydrants, valves, and storage tanks which deliver water for drinking, firefighting, irrigation, and industrial use.

**Wastewater Collection System:** A network of pipes, pumping stations, manholes, clean-outs, and smaller service lines which flow together to convey sewerage to the wastewater treatment plant.

## City of Calhoun Utilities Capital Plan Summary 2021-2025

Year	Wastewater	Water	Electric	Telecom	Utility Admin	Engineering	GIS	Totals
<b>FY 2021</b>	\$ 271,000	\$ 4,559,800	\$ 1,179,000.00	\$ 70,000	\$ 17,000	\$ 30,000	\$ 30,000	\$ 6,156,800

	<b>TOTAL</b>	<b>265,000</b>	
<b>ANNUAL COMBINED TOTAL</b>	<b>1,179,000</b>		
2021-2022	<b>Capital Construction Projects</b>		
	New circuits from substation # 5	225,000	Operating revenue
	Extend circuit # 7552 to Curtis Parkway; East Line Street (Dews Pond) to Meadowbrook, 3-336 ACSR, on double circuit. 3590' at \$60 K/MI, plus contract labor at 25,000	85,000	Operating revenue
	Replace HID with LED lighting fixtures	100,000	Operating revenue
	Oak Street Tie: River Street to 41; reconductor 1/0 ACSR with 336 ACSR (2,200': requires railroad crossing permit)	68,000	Operating revenue
	Replace deteriorating outside concentric neutral underground cable at Forest Heights, Golden Circle	125,000	Operating revenue
	<b>TOTAL</b>	<b>603,000</b>	
	<b>Capital Purchases Equipment</b>		
	Replace 2006 bucket truck # 280	190,000	Operating revenue
	2 Heavy duty pick-up trucks	70,000	Operating revenue
	System protection study update	80,000	Operating revenue
	<b>TOTAL</b>	<b>340,000</b>	
	<b>Buildings</b>		
	Extend and recondition wire shed	15,000	Operating revenue
Storage lot improvements	50,000	Operating revenue	
<b>TOTAL</b>	<b>65,000</b>		
<b>ANNUAL COMBINED TOTAL</b>	<b>1,008,000</b>		
2022-2023	<b>Capital Construction Projects</b>		
	Replace HID with LED lighting fixtures	100,000	Operating revenue
	Replace deteriorating outside concentric neutral underground cable at Recreation complex	225,000	Operating revenue
	3 Gang switch installations, various locations, add fuse savers	100,000	Operating revenue
	<b>TOTAL</b>	<b>425,000</b>	
	<b>Capital Purchases Equipment</b>		
	Replace 2007 bucket truck # 260	200,000	Operating revenue
	<b>TOTAL</b>	<b>200,000</b>	
	<b>Buildings</b>		
	Lot improvements	25,000	Operating revenue
SPCC environmental project	45,000	Operating revenue	
<b>TOTAL</b>	<b>70,000</b>		
<b>ANNUAL COMBINED TOTAL</b>	<b>695,000</b>		

## Electric Five Year Capital Plan 2021-2025

2023-2024	<b>Capital Construction Projects</b>		
	# 4 Substation: N7332 (new feeder bay) connect with 1,000 MCM EPR and 3-336 tie (1,200 at \$20/foot)	55,000	Operating revenue
	Replace HID with LED lighting fixtures	100,000	Operating revenue
	<b>TOTAL</b>	<b>155,000</b>	
	<b>Capital Purchases Equipment</b>		
	System protection study review/update	80,000	Operating revenue
	Standard pick-up truck	32,000	Operating revenue
	<b>TOTAL</b>	<b>112,000</b>	
	<b>Buildings</b>		
	Lot improvements	15,000	Operating revenue
	<b>TOTAL</b>	<b>15,000</b>	
<b>ANNUAL COMBINED TOTAL</b>		<b>282,000</b>	
2024-2025	<b>Capital Construction Projects</b>		
	Curtis Parkway: Meadowbrook to Peter Street 3-336 on double circuit. N-7552 (6,730', \$25,000 contract labor)	150,000	Operating revenue
	River Street from Moss Parkway to Oothacalooga Street: 3-336, partial double circuit (2,290', \$30,000 contract labor)	47,000	Operating revenue
	Replace HID with LED lighting fixtures	100,000	Operating revenue
	<b>TOTAL</b>	<b>297,000</b>	
	<b>Capital Purchases Equipment</b>		
	Bushcast forestry cutter	125,000	Operating revenue
	Review and update capacitor/loss study	50,000	Operating revenue
	<b>TOTAL</b>	<b>175,000</b>	
	<b>Buildings</b>		
	Telecomm building expansion (1,500 sq. ft. at 35)	52,500	Operating revenue
Lot improvements: paving	50,000	Operating revenue	
<b>TOTAL</b>	<b>102,500</b>		
<b>ANNUAL COMBINED TOTAL</b>		<b>574,500</b>	
<b>GRAND TOTAL</b>		<b>\$ 3,738,500</b>	

# Telecommunications Five Year Capital Plan 2021-2025

Year	Item	Cost	Funding Source
2020-2021	Pole barn for fiber reels	\$ 15,000	Operating revenue
	Vehicle	30,000	Operating revenue
	Switch replacement	25,000	Operating revenue
	<b>TOTAL</b>	<b>70,000</b>	
2021-2022	Server replacement	150,000	Operating revenue
	Switch replacement	25,000	Operating revenue
	<b>TOTAL</b>	<b>175,000</b>	
2022-2023	FTTH buildout	2,000,000	Intergovernmental 20 year loan
	Build fiber line to Red Bud Road	80,000	Operating revenue
	<b>TOTAL</b>	<b>2,080,000</b>	
2023-2024	FTTH buildout	2,000,000	Intergovernmental 20 year loan
	Closing Brittany Well fiber loop	340,000	Intergovernmental 20 year loan
	<b>TOTAL</b>	<b>2,340,000</b>	
2024-2025	FTTH buildout	1,000,000	Intergovernmental 20 year loan
	<b>TOTAL</b>	<b>1,000,000</b>	
	<b>GRAND TOTAL</b>	<b>\$ 5,665,000</b>	

## Utility Systems Administration Five Year Capital Plan 2021-2025

Year	Item	Cost	Funding Source
2019-2020	Upgrade phone system with customer service response	\$ 17,000	Operating revenue
	<b>TOTAL</b>	<b>17,000</b>	
2020-2021	One drive-by reader for meter readers	30,000	Operating revenue
	<b>TOTAL</b>	<b>30,000</b>	
2021-2022	Meter reader truck	25,000	Operating revenue
	<b>TOTAL</b>	<b>25,000</b>	
2022-2023	Copier	5,000	Operating revenue
	<b>TOTAL</b>	<b>5,000</b>	
2023-2024	Meter reader truck	27,000	Operating revenue
	<b>TOTAL</b>	<b>27,000</b>	
	<b>GRAND TOTAL</b>	<b>\$ 104,000</b>	

## Engineering Department Five Year Capital Plan 2021-2025

Year	Item	Cost	Funding Source
2020-2021	Vehicle	\$ 25,000	Operating revenue
	Subsurface locator	5,000	Operating revenue
	<b>TOTAL</b>	<b>30,000</b>	
2021-2022	Inflow and infiltration flow monitoring equipment	10,000	Operating revenue
	Large format scanner and plotter	17,000	Operating revenue
	<b>TOTAL</b>	<b>27,000</b>	
2022-2023	Sewer camera system	70,000	Operating revenue
	CAD computer workstation	4,000	Operating revenue
	<b>TOTAL</b>	<b>74,000</b>	
2023-2024	Vehicle	25,000	Operating revenue
	<b>TOTAL</b>	<b>25,000</b>	
2024-2025	Inflow and infiltration flow monitoring equipment	5,000	Operating revenue
	GPS base station	25,000	Operating revenue
	<b>TOTAL</b>	<b>30,000</b>	
	<b>GRAND TOTAL</b>	<b>\$ 186,000</b>
