

City of Calhoun Cross-Connection Control Program

List of Approved Backflow Testers

This list is provided as a public service convenience to our customers and is comprised of testers that we have received reports from in the past. The list may not include all available Backflow Assembly Testers, and they are listed in no particular order. The City of Calhoun does not assume or accept responsibility for the actions or performance of any tester hired by the customer. It is your responsibility to verify proper and current certification and other licensing requirements before hiring anyone to perform work on your premises.

***Calhoun Utilities does not recommend or gurantee any testers**
